The KE Varsity Girls Soccer Team had a wonderful season again. They placed 2nd in the league, made it into sectionals and then made it to the semi-finals. We believed in each other and we all worked extremely hard for one another. The day before a big game you would always find us together, whether we were having a cook-out, a spaghetti dinner, practicing for the pep-rally cheer (Bring it On), going to the boys games, trashing Bailey's house, making the soccer float, shopping at the mall, or just relaxing at a player's house. Whatever the situation we were never apart. The relationship we all had together was second to none and it's something the seniors will all miss.
