drawing. Now this year book may actually be worth something some day. How are planning on coping? Ya know, now that I'm leaving. Well, now that we're all leaving. Its sort of odd that your not coming with us, you are a senior. Well I suppose your sort of graduating too. Now you will officially be a teacher. Up until this point you've just been one of us, Freshman to Sophomore to Junior to Senior. next pg.

Thanks for it all H-dawg.

I'll be back here to use all of the free art supply's so I will visit. I hope its not like all those other lame post H.S. nostalgia visits.

Once I makea demo I'll let you hear, and I will prove to you the value of a percussionist! To sign off I will leave YOU with the same valuable words you once gave me... "Never smoke another man's dope!"
