(To the Seniors on the Football team)

I expect great things out of myself. I expect to  
make great plays, great moves. In my mind I  
can never be good enough. It just comes with the  
territory of making the most of what God has  
given you. I'm trying to make the most out of  
blessing I was given.

when youre young, your whole life is about  
the pursuit of fun. Then, you grow up  
and learn to be cautious. You could break a  
bone or a heart. You look before you leap  
and sometimes you dont leap at all because  
theres not always someone there to catch you.  
And in life, theres no safety net. When did  
it stop being fun and start being scary?

As we grow up, we learn that even the 1 person that wasn't supposed to ever let u down, will U will have ur <3 broken probably more than once and it's harder every time. U'll break hearts too, so remember how it felt when urs was broken. U'll fight with ur best friend. U'll blame a new love for things an old one did. U'll cry b/c time is passing too fast, and u'll eventually lose someone u love. So take too many pictures, laugh too much, and love like u've never been hurt b/c every 60 seconds u spend upset is a minute of happines u'll never get back.
