I wish the people I see that is going on really matters!

This is what I say
They may not be very good at reading and writing but they are!

-Sir Sam Apple-
Super

Fig. 5: Why I don't want
many people around (especially in
class) or even the 100 students
and 10 teachers they come with
them. I don't like them and most of
them are really annoying to me.
