

SPECTRUM

The Story of a Year
2011-2012

Kenmore East High School
350 Fries Road
— Tonawanda, New York 14150 —

- Dedication -

In memory of
Julian McCann
1995 - 2011

Once a Bulldog,
always a Bulldog.

"I am safe and warm
Looking back at a life
Filled with warm embraces
No regrets, only memories
Of smiling faces..."

And the best of our lives
Resonate the hills
And the sun's gonna shine
And you know that I will..."

"Graduation is only a concept. In real life, everyday, you graduate. Graduation is a process that goes on until the last day of your life. If you can grasp that, you'll make a difference."

- Arie Pencovici

Dionna Baach ~

"To laugh often and much; to win the respect of intelligent people and the affection of children;...to leave the world a better place;...to know even one life has breathed easier because you have lived. This is to have succeeded."

Lemmings are confident in their leaders and donkeys are hooked up to "random" carts; don't become a lemming donkey. Take responsibility and give of yourself or we will all be communists."

Ethan Fingold —

We all grow up so fast and dream about what we want to do when we get older. Anything is possible. Live your life to the fullest. Never give up. Most of all, never let anyone tell you that you aren't good at something or that you can't do something, because life is what you make of it. It goes fast, and you are capable of anything if you put your hardest effort and talent into it.

— Cayla Fish

Daniel Wojcinski —

"These are the days that last forever
A time in my life I won't surrender
For better or worse
These are the days
In my life I loved no other
We all have pain we all suffered
For better or worse
These are the days
I will remember"

— The Exies, "These Are the Days"

— Jonathan Wong

"Don't follow your dreams, lead them."

— Alex Ou

"If your don't try, you won't fail, but you certainly won't succeed."

"If you don't like what you see, change the way you look at life."

- Mr. O'Connor

"Class of 2012, I have watched you grow to wonderful young adults over the last four years. When you leave here, you will continue to grow through each person you meet and experience you have. Take something from each of those experiences, good or bad, and learn from them. If you are always willing to learn and grow as an individual, you WILL BE AMAZING! Go where you want to go, do what you want to do, and never settle for anything but happiness and success. Good luck, and I will miss the Class of 2012."
