Established in 1995, the national BIG Picture Learning design is based on three foundational principles: (1) learning must be based on the interests and goals of each student, (2) a student's curriculum must be relevant to people and places that exist in the real world, and (3) a student's abilities must be authentically measured by the quality of her or his work. Each student participating in a BIG Picture Learning Program is part of a small learning community of 15 students led by an advisor, a teacher that works closely with each student to identify her/his interests and personalize her/his learning. Each student participates in an internship where she/he works closely with a mentor, learning in a real-world setting. The result is a student-centered learning design, where students are actively invested in their learning and are challenged to pursue their interests by a supportive community of educators, professionals, and family members.

This is the first year for the Ken-Ton BIG Picture Learning Program. There are 26 students currently enrolled, and an additional 15 students will be joining them each year until the program reaches capacity—offering an advisory of 15 students at each of the four high-school grade levels. This is an exciting opportunity for our district, as it offers students another pathway to obtaining a Regents diploma.

With three wins in their first three games, the JV Baseball team started the 2012 season off strong! Star pitcher Connor Hoar ('15) was a key player all season—sinking out 18 batters in four games! Richie Brinkman ('14) and Robert McNamara ('14) each had a total of 22 hits. The team's hitting record was among the best in the league.

This strong hitting made for the most memorable moment of the season. In the Dogs' last game of the year against Conisus, Nick Lobocchiaro ('15) slammed the game-winning hit into the outfield. Lobo says that moment will stay with him, and it will surely motivate his team as well, moving into spring 2013.

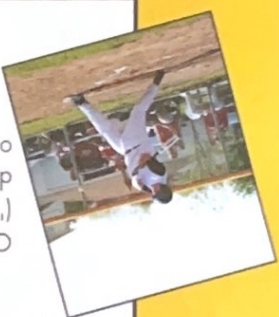

"My favorite moment of the year was beating rival Kemore West!" says Richie Brinkman ('14).

McQuaid Smyth ('14) strikes out two Niagara-Wheatfield batters in a 7-6 victory.

Connor Hoar ('15) hits a double to the outfield.

After winning the Niagara Frontier League in 2011, the Boys' Varsity Baseball team had high hopes in the 2012 season. However, the team faced two major injuries early in the season after star second baseman Donnie Battista ('12) had shoulder surgery and Dan Gillforte ('12) sprained his ankle. The team struggled to win games, until the team came together and beat rival Kenmore West under the lights. "The team knew the game against Kenmore West was a big one," said Devon Taggart ('13). "My home run pumped up the team, and the team's bond grew."

Defense was a key factor to the season. PJ Blanch ('12), Zack Glaspy ('13), Preston Smith ('14), and John Mirabella ('13) played exceptional in the outfield. The Bulldogs finished their season 4 and 12, after losing to Williamsville South in the first round of the playoffs. "The record cannot truly show how hard we worked throughout the whole year," said senior captain Jordan Wainwright.

Varsity Baseball

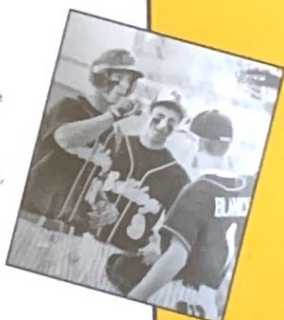

"My most memorable moment of the season was hitting a home run in the game against Kenmore West," says proud Devon Taggart ('13).

Zach Glaspy ('13) reflects, "Baseball is my passion. I have played baseball since I could walk."

John Mirabella ('13) remembers the thrill of victory against cross-town rival Kenmore West, "My proudest moment of the year was when we beat Kenmore West under the lights."

J.V. Softball

The friendships on the JV Girls Softball team helped to lead the team to a successful mid-season. According to Coach Robey, the team was motivated to succeed by "their love to win." The most exciting game was the East vs. West game. The girls were down by eight runs but did not give up. Freshman Sara Taylor (15) stepped up to the plate and hit a grand slam that re-energized the team. Although the game ended with the Lady Bulldogs' loss to West, 8-7, Taylor's feet stuck with the girls long after the game ended.

When asked what his most memorable moment of the season was, Coach Robey responded, "watching the girls improving and winning every day." Erin Samulski (14) added, "When it was time to play, our team could come together and play a great game." While scores are important, the friendships that were formed were the best part of the season.

The relationship among the Varsity Softball team at Kenmore East contributed to their progress throughout the year. Captain Gabbie Johns ('14) said, "Throughout the 2012 season, we battled ferociously, always competing with outstanding effort and teamwork."

Their regular season record earned them the chance to host playoffs at home for the first time in over a decade, a feat that resulted in a sectional win, advancing the Bulldogs into the second round of playoffs. After a hard loss to the number-one-seeded Hamburg—a battle that went into extra innings—the Bulldogs went home after a long season of tremendous improvement that was recognized by not only their amazing fans, but also by the other coaches and teams in the league. The Lady Bulldogs will be a force to compete with in upcoming seasons—a reputation that is well deserved!

The KE Boys Rugby team is no stranger to success, winning multiple games during their spring 2012 season. Ultimately, the competition is just a bonus, because what these boys are looking for is the entertainment factor. Brandon Jamison explained why he joined rugby, "It looked like a fun sport, and one of my UB friends dragged me into it." Barry Jacob had a similar reason, stating, "It looked really cool."

So what made Boys Rugby so fun? The weather. Following something close to the mailman's creed, these boys played rain or shine, but the preference was obvious. Zach Olson explained, "The day after a rain, that's when it's best. It would be muddy and slippery, so people would be sliding like two or three feet. It was awesome!"

The Boys Outdoor Track team had a very successful season. The Bulldogs continued to make improvements as the season progressed, and ended up sending several boys to sectional finals. Each runner achieved a personal best at almost every meet. The team was stronger than ever, and looks forward to an even better season in 2013. Jared Dolan ('13) qualified for sectionals at the first meet, along with several other runners during the season. Key runner Louis Capizzi ('13) said, "We had a very big team this year, but we were still really able to bond as team and do our best."

The early tennis weather of 2012 meant the teams went up early, and the Kenmore East boys team used their training much earlier than usual. The season opened with a victory over Kenmore West. The warm weather brought out the best in the Bulldogs. Four-year veteran players Milon Omekus (12) and Michael Silebo (12) played the second and third singles respectively throughout most of the season, exhibiting their skills on hard work. Alex Isowasi's dedication on the second singles court paid off as he lived for a winning personal record throughout the season. The two doubles teams changed up often throughout the season, with combinations of Nick Jurzewicz (11), Sam Tulipane (11), Frank Wozniak (11), Nick Omekus (11), Justin Hick (15), and Justin Gray (11). The season finished up at the Niagara Frontier League Doubles Tournament, with Isowasi and Omekus representing the Bulldogs in the semifinals.

Boys Lacrosse finished up the season 7-5, which earned them a playoff spot for the third time in five years. After the hard-fought game against Depew, they finished the season with a record of 7-6. Trevor Taggart ('13) says that combining the East and West teams "didn't make [them] weaker or stronger, but the rivalry made it fun."

Kyle Patterson ('13) led the team with 75 ground balls, Mike Diliberto ('13) and David Hopfer ('13) tied with 29 points, and Joel Stith ('12) led all goalies with 4.2 goals against average. The team definitely had a passion for the game. According to Coach Perry, "Every player was a leader." Mike Giordano said, "Nothing got us more pumped up than Perry before the game with his words of wisdom." When asked for a funny story about the season, Diliberto, Giordano, and Taggart all replied, "When Perry told us we were going to win because a hawk flew over the field."

The JV Girls Volleyball team finished with a 6-6 record. Working hard on a day-to-day basis helped to bring the team close and make them better as a whole. Coach Ledersdorf adds, "The girls quickly realized how important it was to play team volleyball and by doing so, beat some tough competition in matches and tournaments. Their dedication and love for the sport really helped them pull through some tough losses. There is always room for improvement. Each player put her best effort in at each practice to improve in areas that needed work, whether it was doing a drill over and over again or practicing the steps it took to get the move down right."

Although the Lady Bulldogs finished with a 12-2 record, our girls never went down without a fight. They always believed in themselves and pushed through every play until they heard the whistle blow. Their optimistic attitudes and love for the game helped them to keep their heads up during the hard times. According to Coach Hoover, the most memorable part of the season for the girls was their win against Lew-Port. After their loss against them the first time the girls came back and dominated them at Lew-Port High School. Coach Hoover said, "They never gave up. Each person gave 100%, and that's why I believe they won. I had never worked with such an amazing group of girls until this year. They all got along tremendously and always tried to make each other better as players and as teammates."

The Boys Varsity Soccer team had a very successful fall season. The Bulldogs finished 7-7 in the regular season, but suffered a loss to Sweet Home in the sectional playoffs. The Bulldogs' top scorer was Jordan Fisher ('13) with 5 goals.

Captain Matt Cordovani ('13) said, "The team was really able to come together as the season progressed. After the first loss to Kenmore West, we were able to come back and conquer the Blue Devils by learning from our mistakes and practicing."

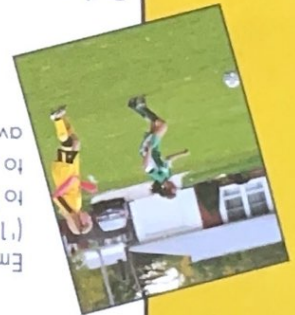

Captain John Becker ('13) had shutout after shutout in goal and was ranked as one of the top goalkeepers in the section. Midfielder Richie Brinkman ('14) also led the team in goals and is expected to lead the Bulldogs to victory in his senior year.

The Kenmore East JV Girls Soccer Team had a fun year. Each time the girls stepped onto the field, they improved their skills and understanding of the game. The girls had many goals in mind, but their main focus was to improve their record from last year. They may not have had a winning season, but they did achieve their goal of bettering their record, winning three games and tying Kenmore West in overtime.

The best game that the Lady Bulldogs had all season was against Niagara Falls Captain Skylar Wittman (15) described the game as fun and exciting. She also said that they "dominated" the girls from the Falls. Goalie Aurora Dziolok (16) had a shut out in net, it was her first of the season.

The Lady Bulldogs finished the season with 1-15-1 record. Ask any girl on the team, and she will say it is was not easy losing almost every game. As a very young team, there was always room for improvement, Coach Robey always said.

Despite losing a majority of their games, each and every game saw improvement from the team. The most memorable part of the season would have to be winning against Niagara Falls in overtime. Not only did the girls win on their home field, but they won in the last eight seconds from a goal scored by Meagan Vrooman ('12), assisted by Hannah Coates ('15).

The season finished up with two great games against Kenmore West. Despite the loss of the second game in overtime, the girls played a great game. The Lady Bulldogs agree that they are looking forward to next season, hoping to once again improve on this season's record.

The Kemore JV field hockey team had a stellar season with a record of 8-4-1. Much of the credit goes to the experience the returning players brought to the field. Veterans included top scorers Kaitlyn King, Chrissy Vickers, Laura Stockman and Sarah Wakefield. The year kicked off with a goalless, but not returning, freshman Cara Kipp did an outstanding job in the net.

Returning eighth graders included Emma Bottom, Hannah Griedanus, Emerald Oniz, Kelsy Stark and leading scorer Brimley White. Eight courageous young leaders stepped on their cleats for the first time and joined the roster. Freshman Ang Mazzorini put in a short stint on the field, until she went out with a broken wrist. Other ninth graders were Rachael Corneiche, Melaine Geogier, and Whitney Spencer. From the middle schools, the team included Nicole Caputo, Lauren King, and Olivia Smith. Rounding out the roster was 7th grader Emily Dellapenhol.

"It's not how you start, it's how you finish," Coach Orlowski has a lot of confidence in his Kenmore Varsity Field Hockey team. They started the year coming together at different team bondings. "The team got together over the summer and did a number of activities to help build the chemistry to help make them best friends. This makes coaching easy," says Coach Orlowski.

The captains this year were seniors Morgann Obrochta, Laura Werwinski, Adriana King, and Lauren Gantz. "This was the first year that both Kenmore teams combined, and we wanted to prove how we could come together in such a short time. We wanted to work hard and succeed in every game," says Morgann Obrochta. "Even though we lost our last game, we finished on a strong note with a 14-2-1 record, which is history-making in Kenmore!"

Varsity Field Hockey

Coach Orlowski half-jokes, "The team played their first sectional game in Hurricane Sandy... and won!"

Captain Morgann Obrochta ('13) reflected, "The most important thing a team can learn is to never give up and to finish strong."

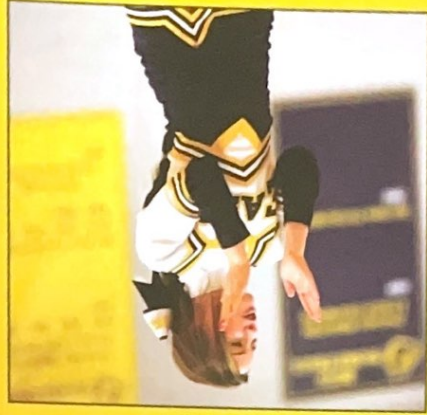

Obrochta continued, "You gotta play it game by game. If you lose a game, you have to forget about it and move on."

From day one, there was instant teamwork and motivation to succeed among the JV Cheer team members. Standards were set high from the start, and the hard work really paid off! The cheerleading team performed well at football games, basketball games, and pep rallies. In addition to performances for the school, the squad excelled on the competition floor as well. The team went undefeated during fall season and won first place three out of four times during winter season. At the Gracetti Mark Hotel in February, the team received the second highest overall score at the competition, defeating all of the JV, varsity, and collegiate teams, including East's own varsity team. Coach Mather remarked, "I am so proud of all of the hard work and dedication that these girls possess, and I look forward to the future success of this team!"

The past year of Varsity Cheerleading has seen nothing but success. Throughout the fall and winter seasons, the team earned first-place finishes at five of their six competitions, including Grand Champions and a New York State title.

Privately, the team had many ups and downs throughout the year, but they always pulled together as a family. The seasons brought them everything from pom-pom gloves to stunt-group competitions. This winter, the cheerleaders earned a bid to compete at Nationals. As a team, they will be traveling to Virginia Beach to compete at the US Finals for the title of East Coast Champions.

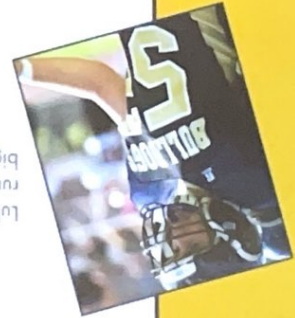

Team members Chelsea Masich and Alex Opie explain, "As the season comes to an end, we can proudly call ourselves the cheerleaders of KEHS. Once a Bulldog, always a Bulldog!" With a proud smile, they add, "V-Squad for life!"

The Boys JV Football team, coached by Mr. Brophy, Mr. Kluge and Mr. Doornone, had a great season! With the boys winning the majority of their games, they showed that with teamwork anything can be achieved! Mr. Brophy clearly expressed how proud he is of his team. "They came a long way from the beginning of the year to the end of the year. It very much had to do with them working together." Of course, the boys' motivation to win may have also had to do with Mrs. Brophy baking cookies whenever they won.

Coach Brophy also acknowledged that the boys were closely united by saying, "You're playing for more than just yourself, you're playing for all of us together." Luke Jones added, "We were very close, and all we wanted what was best for our team, not ourselves." Together, the JV Bulldogs showed they are not just team, but a family.

This year, the Varsity Football team had a season to remember. They finished the season out 4-5. The players were really proud of this accomplishment; it is the best that the team has done in years.

Key players that helped make the season a success were Connor McMahon ('14), Preston Smith ('14), Kurt McGowan ('15), Brandon Derion ('13), Luke Simmons ('15), and Adam Geib ('14). "We didn't let losses take over the season. We just forgot about it and tried harder at the next game," said Luke Simmons.

The boys brought home the bowl championship home at the end of the season. This was their proudest moment, some of the boys said. Preston Smith said, "My proudest moment was when we were playing against Starpoint and I caught the pass that won the game in the last-second play." It was a proud moment for us all.

Varsity Football

Preston Smith ('14) remembers, "My proudest moment was winning the Bowl Championship. It was a great feeling of accomplishment."

Luke Simmons ('15) says, "This year was a good year. Our team had a really good relationship. We had a lot of team dinners that I think brought us all closer as friends."

The Lady Bulldogs Swimming and Diving team had another strong season, with the most exciting dual meet of the season being the final home meet against North Tonawanda. Throughout the entire meet, the Bulldogs and Lumberjacks kept the score even, event after event. The final event's first-place finish for the Bulldogs allowed the team to beat the Lumberjacks by one point. The seasons MVP was senior captain Laura Wilkinson, who swam every event, including the 500, throughout the season. The teams Bulldog Award went to freshman Haley Brucato, an all-around versatile athlete. The Most Improved Swimmer Award went to Yenni Weeks ('13), and Morgan DiMoria ('16) was awarded the Most Improved Diver throughout the season. The Lady Bulldogs have a lot to look forward to next season as they prepare for even more success both in the pool and in the classroom!

"The players had great relationships with each other. All of the girls were able to have fun with one another, and they all genuinely cared about the success of their teammates. The players spent some time with each other off the courts and bonded over activities such as tie-dying T-shirts," says Coach Evan Franchi. The team finished on a high note, winning the bronze flight of the Western New York Championships by defeating 6 other teams from the area.

Shaemaa Darbo ('14) listens to Coach Franchi to improve her game.

Celina Wozniak ('14) returns the serve from the opposing team.

The golf team finished the season with a 20-1 record and ended up placing first in the Niagara Frontier League. Coach Robbins emphasized the importance of the individual player. "The last guy on the team is as important as the first guy," explained Coach Robbins. "The team was fun to coach because they were all hard-working and they all tried their best," said Coach Robbins.

The players' hard work shows in their accomplishments: Zach Jakes and Adam Kroil won the All-League. Captain Mike Dovern was a medalist in the NFL Tournament. Ricky Shotwell was a sectional qualifier. With only one loss this season and a first-place finish in the NFL, it is clear that the Ken East Golf is one of the strongest and most competitive teams in the school. Congratulations, Bulldogs!

Down in the pool, the Bulldogs Swimming and Diving team had another strong season, with the most exciting dual meet of the season being the final home meet against North Tonawanda. The past two seasons, the two teams tied.

Throughout the entire meet, the Bulldogs and Lumberjacks kept tying, event after event. The final event's first-place finish for the Bulldogs allowed the team to beat the Lumberjacks by one point.

The season's MVP was Matt Peiffer, a junior who has swam for the Bulldogs since eighth grade. Jonathan Glaspy ('15) was the JV MVP. The team's Bulldog Award went to Elijah Ramsey ('13), who swam the butterfly in almost every meet since he was in ninth grade. Most-improved JV swimmers included Jeff Wolf ('15) and Bailey Valint ('16). Graham Jones ('14) and Jacob Fringle ('14) were most improved on the varsity side. Justin Moser ('15) was Most Valuable Diver, while J. Andres Harrington ('16) earned Most Improved Diver.

Varsity Gymnastics

Co-Captain Haley Parker ('14) does a back tuck to warm up for her floor routine.

Captain Kara Landberg ('13) stands up to jump to the high bar.

Sydney Smith ('17) does a leap during her beam routine.

The Gymnastics team went through a lot of changes this year. The Kenmore East and West teams were combined into one, and coaching arrangements were switched up. For some sports, the combining of rival teams would just cause problems. For gymnastics though, it just brought the team closer.

The East and West teams have always practiced together at Hoover Middle School but competed separately. Even then, the girls on each team still cheered for each other. The combining of the two just improved the relationship between the girls from each school.

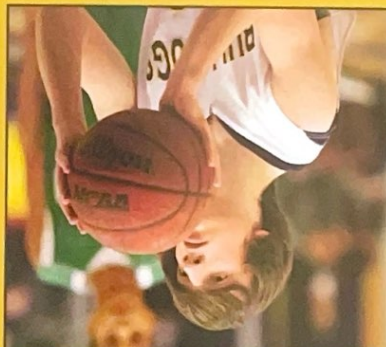

Another huge event that pulled the team together was team bonding at Coach Blaszk's house. Many girls made comments about how much fun it was and how it brought them closer. The team wrapped up the season extremely well, with a few girls competing in sectionals and many placing in the Halloween Invitational.

JV Boys Basketball

Back Row: Vincent Cicciello, Nick Stoetzel, Zach Luparello, Ben Koford, Mike DeBenedetti, Luke Jones, Tom VanCuren, Justin Haeick

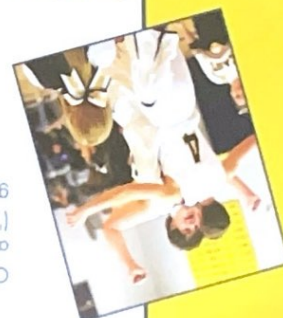

The Boys JV Basketball team was motivated to do their best at every game for this season. When asked for their favorite memories, all team members agreed that the highlight was their victory over rival Kenmore West. Defeating West was a huge boost to team morale, as was Justin Haeick's (15) impressive 26 points scored during that game!

Even when in fierce competition, the boys pride themselves on their good sportsmanship. Captains Joey Vasi (15) and Connor Hoar (15) modeled the qualities they expected from the other members of the team. With the victory against West still in mind, the boys plan to come back even stronger next year!

"I love basketball because I enjoy winning and having fun with my friends on the team. Every day at practice was fun and enjoyable. There's no other sport like basketball, it's just so intense. We had a fun, enjoyable season even though not everything went our way. I will miss our seniors, but we have learned from them and will focus on next year!"

The Moment

We don't have tomorrow
What we have is this moment
When the ball tips off at 5:30 today
One last chance for me to watch the 14 Sisters play
You all have been such a joy since that first November day
One final cherished memory tonight for us to make
A great victory over Clarence just waiting for us to take

So when the referee throws up that first jump ball I hope you know how much I love you all
The season ends tonight, no more games to play or practice to start
But though it will be ending, this team will forever remain in my heart

The first alley was opened in 1840. Bowling has become a favorite pastime. The students at Kenmore east take their love of the recreational activity to the next level, by participating in it as a sport. Since the beginning of their season in December, these bowling enthusiasts have earned the impressive 28th (out of 58) spot in sectional. How did they manage to go up and succeed against so many other teams? Firstly, they knew how to get themselves pumped. Captain Megan Michaels recalls a favorite pregame post time, "Before each match we would jam out to Pitbull and Justin Bieber and just try to motivate each other". Secondly, and maybe most importantly, they were a team in the truest sense of the word. Freshman Kimberly Michalski explained, "Our team is like a family. We support each other and have fun. We trusted each other too".

My greatest memory from the 2012-2013 season is our game against Williamsville North. The final score was 3-2. We were down, but Joe Spataro scored to get us into overtime. We ended up going into double overtime, then David Christopher buried a goal with 20 seconds left on the clock.

- Alex Bluff

Our team did a nice job of focusing on a team mentality, instead of focusing on individual players. We all played our best and helped each other out.

After winning the State Championship last season, the Dogs had high hopes for the 2012-2013 season. However, after losing 14 senior players, the Dogs knew there was a tremendous amount of work to be done. The Dogs finished fourth in the league, with a record of 7-3-4. The season came to end after the Dogs lost a quarter-final game against Sweet Home. Trevor Taggart ('13) and Mike Davern ('13) were key to the team's success, and Mike Diliberto ('13) scored a team high of 11 goals this season. Mitch Calkins ('13) and Steve Schultz ('13) were solid on defense.

The team will once again face challenges after losing seniors this year; Mike Davern, Mike Diliberto, Mitch Calkins, Trevor Taggart, Tony Amoia, and John Mirabella were among the players who won the State Championship in March of 2012, and they will be moving on to collegiate careers at the end of this school year. The Dogs are up to the challenge, though. Coach Diehl is confident, "Kenmore East will always be a dominant program."

Once again, the Kenmore Girls Hockey team took home the Section VI Championship. The team beat Williamsfield 2-1 in double overtime for the title. The team made it to States for their first time. However, Beekmantown ended the team's amazing year. Key East players Jill Battista ('14) and Lina Mirabella ('16) were also integral to the team's success on the ice. The team finished 14-7-0-1 and although Kenmore lost in States, their strong bond stayed together. At the end of the season, the team said goodbye to Alyssa Dollendorf and Kaitlyn Simmons, two seniors who played their hearts out every game.

The Girls Indoor Track team had a very successful season. The girls started out the season with a second-place finish at WNY relays. The 4x200m team, consisting of Megan Talmon, Kara Landberg ('13), Austin Nagelhout ('15), and Shelby Goudy ('15) came in first with a time of 1:58.7. Also coming in first in the pole vault with a combined height of 15' were Haley Parker ('14) and Alicia Pooley ('14). Long jumpers Talmon and Nagelhout took second with a combined jump of 29'2". The Lady Bulldogs ended the meet with a total of 56 points. There were many girls who moved forward to meet the qualifying standards for competing at sectionals.

The Boys Indoor Track team had a very successful season. Gavin DiMaria ('13) led the way in the pole vault by breaking the school record that he set the previous year, with a vault of 14'1". DiMaria's vault made him the section leader, giving him a spot to compete at the state championship meet.

The boys 4x400m relay, consisting of seniors Louis Capizzi, Chris Guarino, Avery Walsh, and Gavin DiMaria, battled it out with a close race at sectionals, ending in a second-place finish. Louis Capizzi came in third at sectionals with a time of 1:27.87. Louis also qualified for states and competed in the interscholastic distance medley relay.

Special Olympics is not only a place for friendly competition but also a place to grow as an individual. Great friendships are developed between the coaches and the athletes.

Each athlete demonstrates a specific skill and then competes in that event at a large track meet that wraps up to whole season. Both athletes and coaches look forward to the spring season for the opportunity to work with one another in coordinating the Special Olympics.

Stephanie Finn ('12) makes great progress in the pit.
