flight to the imagination and life to everything"
-Plato

The orchestra has grown to over 70 students between our Symphonic and Concert Orchestras. Students can participate in a variety of extra-curricular orchestra groups such as Mariachi Club, Pop Orchestra, and Beginning String Club." -Mrs. Jay

10 -12th Grade Orchestra

"My favorite part of teaching is getting to watch my students grow as musicians, but more importantly, to see how they grow as people-becoming kinder, more tolerant of one another and their differences by working together as a team to create something that is beautiful and moving."-Elaine Grant

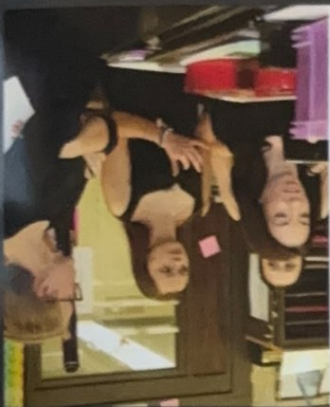

8 & 9th Grade Chorus

Chamber Singers

"Chorus has always been an outlet for me. My freshman year I didn't know anyone and I was scared to introduce myself. Once I walked into Neuhaus's room I became immersed in positivity, meeting people who included me and allowing me to have a safe space. My high school experience would not be the same without chorus in it. It truly changed my life." - Alyssa Germano [19]

Treble Chorus

"Even though we meet every other day, Chorus is a great choir and I have enjoyed every moment of it." - Arianna Basso [19]

"Be expressive and confident!" - Jill Neuhaus

Being able to watch my friends do what they love and have them watch me do what I love makes me incredibly happy. Being in such a wonderful place with such talented people makes you work harder and appreciate types of performances that contrast from your own." -Alyssa Germano [12]

MUSIC STUDENT TEACHERS

"What if they don't like me? What if they think I'm a high schooler? What if I can't do it?" This was LB Wendelin's first thoughts when entering Kenmore East. "I opened the door, and the second I stepped into the room, students were welcoming me. All of the stresses I had been feeling about my student teaching went away" When asked what her favorite memories she said that it was, "The December concert, when I got to conduct a piece with each group. I went from being stressed about learning the notes, to being excited to make music. All the groups sounded incredible". Ms. Wendelin would like to say this lastly. "To the Choral students of Ken East: Thank you for making my high school teaching placement so incredible. I could not not have asked for a better group of students to learn with and I miss you all every single day. To the graduating seniors, congrats and I know you will all be fabulous in what you decide to do. Remember to stay Alive, Awake, Alert and Enthusiastic!" LB Wendelin attended The Crane School of Music at SUNY Potsdam. She is now a substitute in the Ken-Ton School District. She is missed dearly by all of her students, and peers.

Andrew Anable is currently Music Education Major at SUNY Buffalo State. When asked about his time student teaching he said that, "Kenmore East and Mr. Aguglia have taught me so many valuable lessons. I am beyond grateful to have my student placement with such wonderful students and a fantastic teacher. The best part of Kenmore East is how friendly and accepting the students and faculty are. It is very difficult going into a new school when your experience and confidence is quite low, but Kenmore East made me feel right at home almost instantly". Mr. Anable would like everyone to know that, "There is so much I'm going to miss. I'm going to miss the vast amount of learning experiences, the amazing and talented students, and the overall environment that the Music Department has to offer". Above all he wishes to remind everyone that, "No matter who you are, what you've been through, or who you want to be, you have a home in Music". Those students who have had the honor of working and learning with Mr. Anable are grateful for the time spent with him, and will miss him dearly. The Music Department wishes the best for Andrew Anable!

Late last year, the Kenmore East choral department worked hard towards the audition to perform at Disney's Candlelight Processional. The choir, joined by a few other choirs, a live orchestra, and guest speaker Whoopi Goldberg, tell the story of Christmas in the most beautiful way with music. Other than the performance, these students had an magical time exploring Epcot, Magic Kingdom, Animal Kingdom, and Hollywood studios. Every day was filled with adventure, laughter, smiles, and friends. Going on this trip, doing something they enjoy and being able to share this adventure with each other definitely made it the vacation of a lifetime.

ART

Art, by definition, is the various branches of creative activity such as painting, music, literature and dance. All of these are seen in classes like photography, pottery, traditional arts, digital arts, musical arts and even in languages. Art is all around us. It is in the music we listen to, the shows and movies we watch.

"Art is just the freedom to express yourself and just be creative." - Lydia Mascio

"Art is like soup. There will be some vegetables you don't like, but as long as you get some soup down, it doesn't matter." - Wyllie

"Art is a way to express yourself when you can't find the words to say." - Nicolina Barton

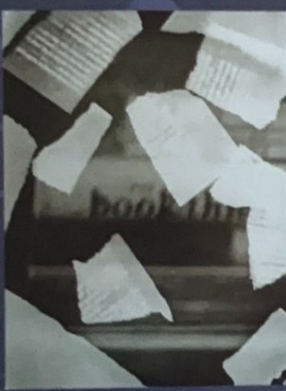

The Kenmore East Art Department is occupied by many of talented students that put their minds to work by putting pen to paper, paint to canvas and bringing words to life.

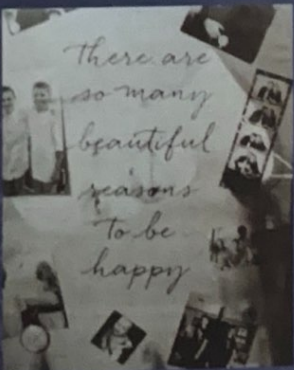

PHOTOGRAPHY

Photography is the art of capturing the beauty of life, the act of appreciating 'the moment' and used as a personal database to capture the beauty of a scene in one quick snap of their cameras.

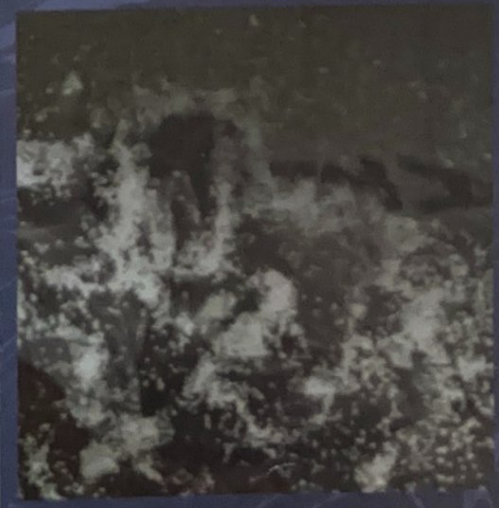

"There are so many beautiful reasons to be happy"

A student captures a unique shot of their sketchbook and binders.

Students taking photography capture the unique beauty in places that might not be so obvious to others. A pile of leaves or an umbrella could catch their eye and lead to a masterpiece.

DIGITAL ART

The digital art courses include, Multimedia Studio in Art, Illustration and Animation, Advertising Design, and Advanced Multimedia. These courses capture the art of animation and graphic design.

Hevyn Bermudez highlights the natural beauty of singer Lana Del Ray in this piece in Multi-Media.

Lost in Fear: Run While You Still Can, a video game cover created by students in the digital art program!

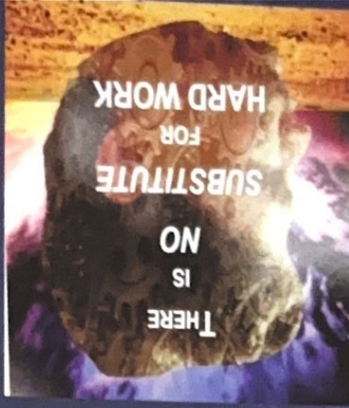

Jacob Coburn and Owen Hull capture the pop art style of Andy Warhol in these pieces, displaying their friends with different colors splashed onto their faces and clothes.

Shane Shapiro illustrates the thought process by photoshopping gears into his head, way to get our gears turning!

Patrick Reilly works his skills in photoshop by highlighting a British guard by his post station.

Amanda Croat shows off the hidden work that goes into logo for our own Indoor Track & Field team!

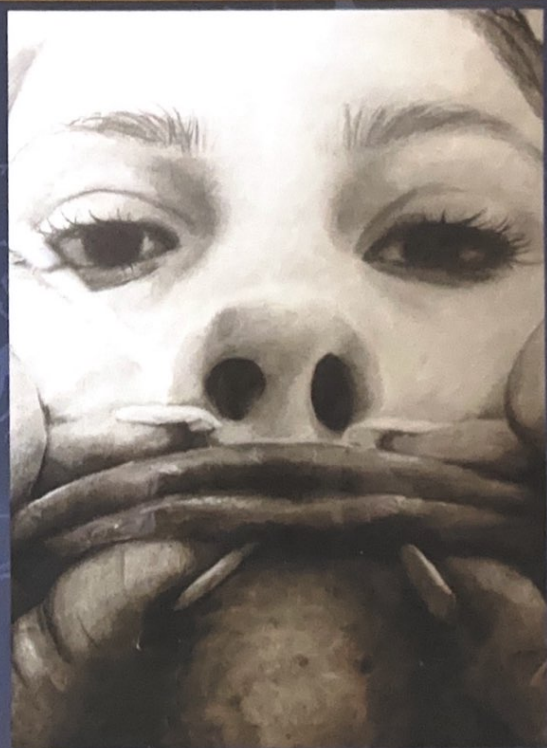

TRADITIONAL ART

Traditional art courses include Studio in Art, Advanced Studio in Art, AP Studio in Art, AP Art History, IB Visual Arts, and the classic Drawing and Painting. These students show off their amazing talents by putting pencil, pen or paint to paper.

Emma Ferguson shows off her artistic ability in this painting of a young African woman.

Gabby Basso, Tiffany Phelps and Kat Torres capture beauty in these pencil portraits.

"IF MANY OF THE GREATS HAD FOLLOWED TRADITION, WE WOULD BE MISSING SO MUCH ART TODAY"

- JEAN BLACK

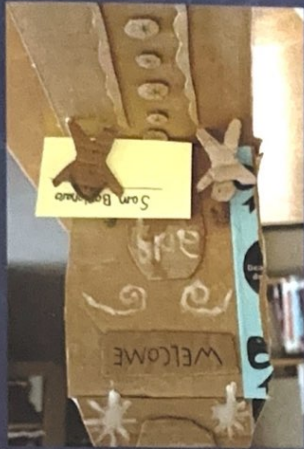

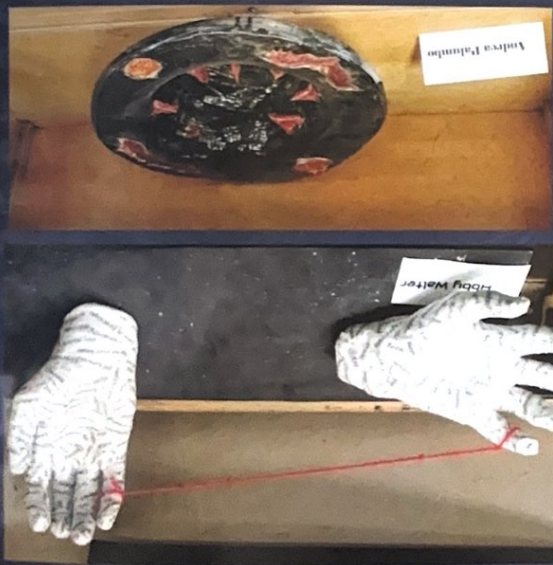

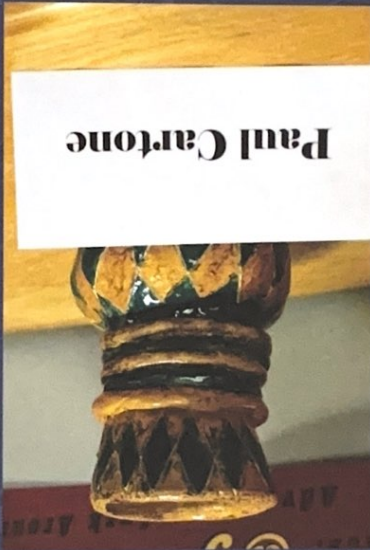

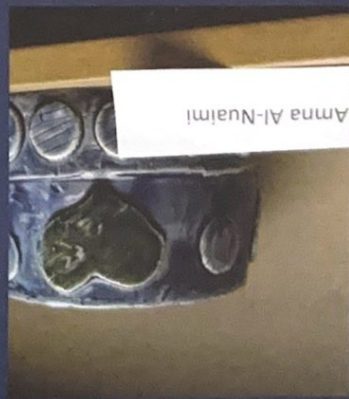

A student shows words they believe define them. This was shown by a woman in a red dress holding a dandelion.

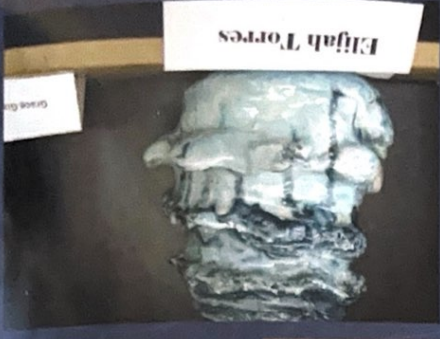

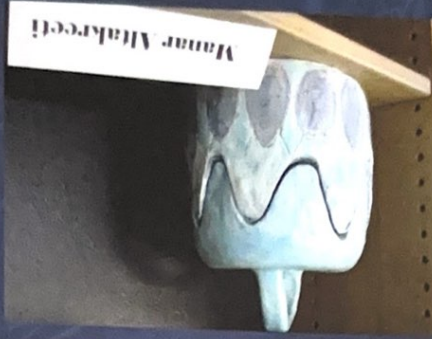

CERAMICS/SCULPTURE

The art of sculpting is to create or represent something, by carving, casting or other shaping techniques. Students taking these courses let their creativity flow in the form of clay, ceramic or in some cases, even cardboard or books!

Samantha Bordonaro built a gingerbread house out of cardboard to bring a little holiday season spirit into the library.

FINE ARTS FESTIVAL

Each year Kenmore East celebrates our talented students with our annual Fine Arts Festival. This allows each student to show their growth as an artist and as a person. The festival is truly a wonderful combination of each students work and energy, showing that each student in our school has something to offer the world. A truly brilliant event that enlightens our community.

FROM THE ADVISOR'S DESK

Well, another one in the books. They say that with each year under one's belt, this sort of thing gets easier. While that generally seems to be true, Yearbook is never without its new and unexpected challenges. We hoped this year to produce a volume that captures the pride and rock-solid strength of our Bulldog community. It is an awesome and rewarding responsibility to pore over the images of all that makes this school such a special place. Many thanks goes out to my incredible staff (seen above and to your left making incredible fools of themselves). I was graced with yet another crop of excellent Seniors (Joey, Elli, Alexa, Jordan, Hannah, Crystal, Logan, Arianna B., Nick, James, Jarrett, Joe M., CHRIS), as well as some standout underclassmen in Zack, Landon, Angel, Ali, and Jordan. I'd be remiss if I didn't also mention my dynamic duo of editors: Jillian McKinney and Emilee Schalk. They were my rockstars this year and this book wouldn't be possible without them or their superb playlists. Thank you, ladies, for keeping me humble with your bald jokes and inspiring me with your daily nonsense. Enjoy your book. JB
