Focused in Perspective

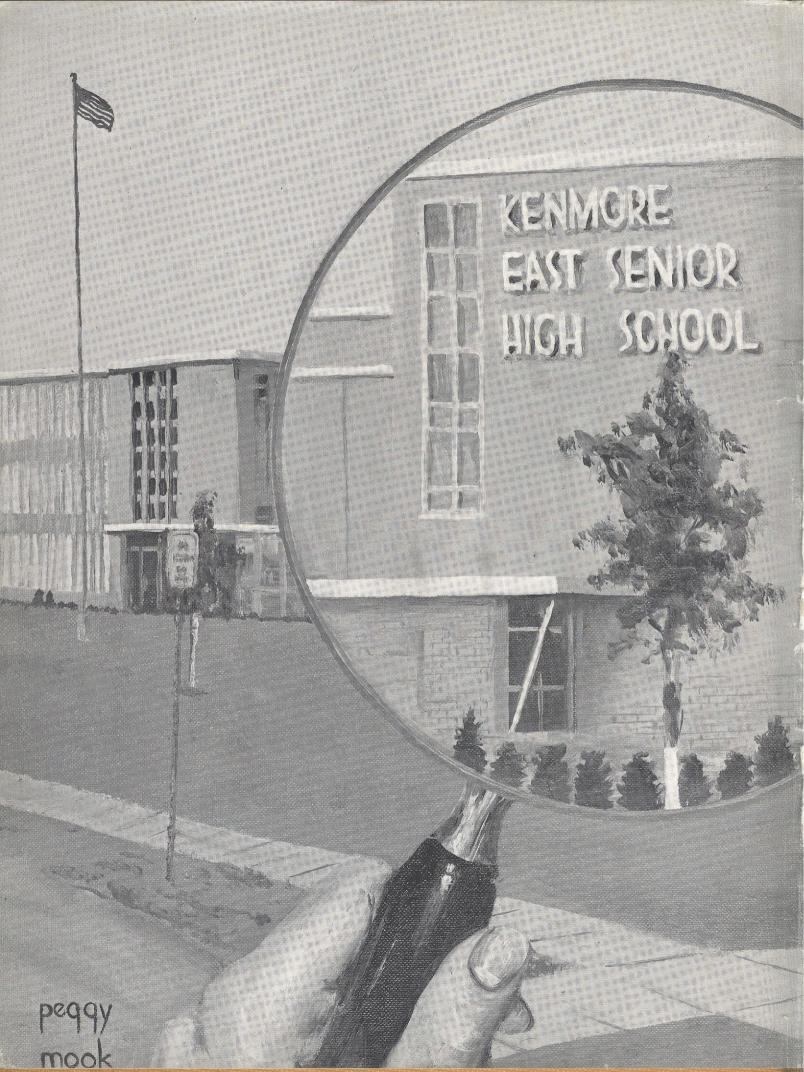

We enter this fortress of wisdom and life, Awed by its steel, stone, and glass majesty.

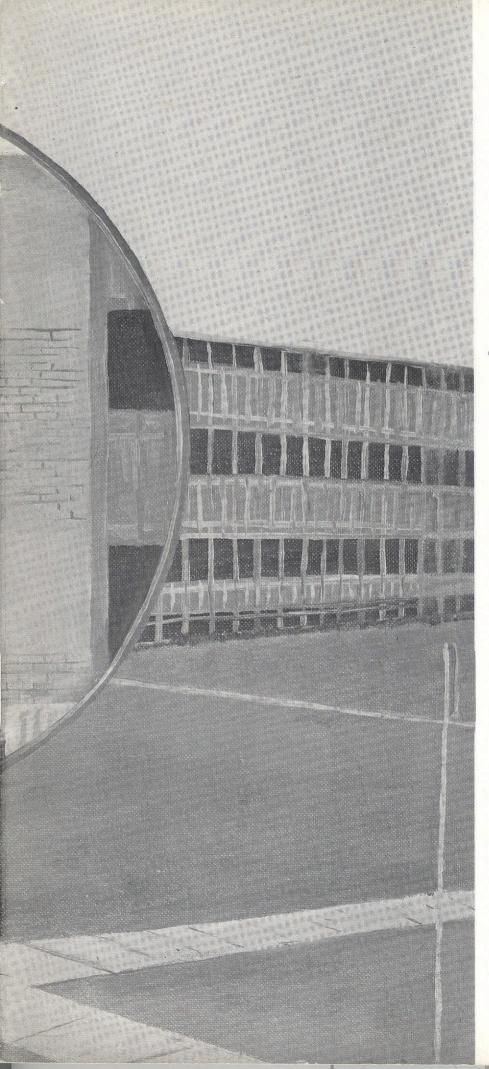

In its nourishing bosom we struggle and conquer,
Treading the worn paths, blazing new trails.

And at the termination of our brief stay,
We take with us a perspective newly refined.

Presents the

1963
SPECTRUM

DEDICATION

Carl W. Baisch

We at Kenmore East are indebted to Mr. Biasch for the educational perspective developed through his tenure as superintendent. Our growth as the "youngest" secondary school is due in part to Mr. Baisch's concern that the students of this community have the opportunity to experience quality education. The challenge that sound education presents to us as students will endure as long as the tenets fostered here at East shall be reflected upon in our later life.

Mr. Baisch's professional leadership has aided the Kenmore School System in being recognized as one of the finest systems in New York State. The facilities, staff, and curriculum at Kenmore East is an illustration of quality leadership. We at East are indeed fortunate to have been a part of this progress.

With the best wishes for the future, we, the Senior Class, dedicate to you, Mr. Baisch, our 1963 Spectrum.

FACULTY AND ADMINISTRATION

MR. ALAN H. MacGAMWELL Assistant Principal

Matters concerning attendance, discipline, and extra curricular activities are handled by Mr. MacGamwell, assistant principal of Kenmore East Senior High School. Mr. MacGamwell is well known to us all, and he is respected for his ability to cope with the vicarious problems we as students present to him.

Administration

MR. ALBERT J. WITZIG Principal

Mr. Witzig has been principal of Kenmore East Senior High School since its opening in 1959. During these four years he has worked diligently for the benefit of our school and its students.

His energetic spirit and friendly manner have been evidenced to us in the performance of his many duties. We have come to know him as a man who is ever ready to aid us as individuals whenever we have sought his assistance. The enthusiasm which we as students possessed towards our work in the classroom, and the enjoyment we received from athletic and social functions can be attributed in part to Mr. Witzig's sincerity and leadership in providing a sound secondary school program at Kenmore East Senior High School.

MR. FRANK K. HYATT Curriculum Consultant

Problems concerning curriculum are attended by Mr. Hyatt. He is in charge of arranging the students' academic schedules and making adjustments when necessary. Because of the nature of Mr. Hyatt's work, he is quite familiar with many of our scholastic records and future aspirations.

English and Music

The needs of a student regarding English and music are adequately fulfilled at Kenmore East. The English department, headed by Mr. Facos, is staffed with a dozen teachers, all having the same goal: to make English an interesting and useful part of the students' life. Mr. Mosher, who leads our school band and orchestra, and Mr. Wunsch, instructor of various vocal groups, comprise our music department. We at East are fortunate to have for our assistance such a fine dedicated staff.

and Language

Mathematics, sciences, and languages are frequently called the "mechanical" studies; while perhaps they lack the old heritage of English and history, they, nevertheless, occupy a position of great importance in modern education. Our departments of science and math, led respectively by Mr. Hancher and Mr. Hyatt, seek to prepare our young people for prominent places in the adult world.

A student at Kenmore East may also major in Latin, Spanish, French or German, or any sequence of these languages in order to gain a better understanding of the culture of people from other lands, and to experience with this, an increased personal aesthetic appreciation. While knowledge of a foreign language is not an absolute in our curriculum today, it is a most important part of a well-rounded education; it is discipline and exercise for any mind.

The areas of science, mathematics and languages, are well represented here at East, providing the tools for a sound, workable basic education.

Industrial Arts, Driver Education, Business

Mr. John N. Flanagan Industrial Arts

Mr. Kenneth D. Hodge Industrial Arts

In a modern suburban community like our own, many citizens believe that the primary purpose of the secondary school is to train young people for college. At Kenmore East we have a supplementary objective: to prepare students for careers that may begin directly following high school graduation. Our departments of Business and Industrial Arts are designed to aid us in that goal. Headed by a staff of conscientious, well-trained teachers, these departments offer training to all students interested in careers in business and crafts, training that is essential for an active and useful future.

Guidance, Home Economics, Physical Education

A school is traditionally classrooms, yet more than classrooms compound a good, efficient school. These "special services," well provided for here at Kenmore East, include facilities for physical education, health, guidance, and special education.

Our department of physical education provides gym and swimming periods twice a week under the guidance of Miss Mackett, Miss Witt, Mr. Oelkers, and Mr. Adams. Our guidance counselors, Mrs. Holzman, Mr. Morton, and Mr. Rogers, are always available for consultation on any problem about college, employment, or classroom needs, while our school nurse, Miss George, cares for the physical welfare of the student body. The department of special education under Mr. Williams and Miss Burack look after the needs of students with special problems and help them to adjust to normal school life. All these aspects of additional services have done a great deal to make Kenmore East a fine, serviceable school.

A teacher does more than instruct; he tries to stimulate his students to work on their own and to increase their appreciation of our nation and our world. In the fields of social studies and art this is especially true. Our social studies department, headed by Mr. Lang, includes a dozen teachers who have the objective of educating our students in practical matters of current events as well as in the fascinating fields of classical history. They believe in education for its own sake, for the sake of knowledge and new ideas themselves, to encourage our minds to realize the world as it is and why it is.

In art education the goals are similar: art of the classics and in the modern world are both stressed. Under Mr. Rowswell the art department encourages students who are preparing for careers in art as well as those who just like to draw, who are fascinated by style and form. In both areas, art and social studies, the emphasis is on education of the mind and the spirit that will lead tomorrow's world.

Perspective

Three years have ended. The gates to the world have been opened. Our walk to the horizon has begun, but often we will pause and recall our classmates, the faculty, and the days at Kenmore East.

As sophomores we quickly adjusted to the rapid pace of senior high school. That fall we enthusiastically elected our officers, chose our advisors, and followed the football team. We staged our first class show, "The Roaring Twenties," and then turned our attention to "Oklahoma." Proudly, we added our link to the golden chain of classes at Kenmore East.

At the outset of our junior year we were infested with new spirit. Again we elected officers to lead our class and cheered the Bulldogs on. Six juniors were taken into the National Honor Society. We presented the first "Junior Carnival" complete with a French Cafe, beginning a new tradition. Zealously, we worked on "Carousel" and floated through an evening in "Shangri-La." Highlighting the year was the election of the Forum President. The halls were adorned with posters and slogans, and, after a long, vigorous campaign, one remained—"Vote for Livingston."

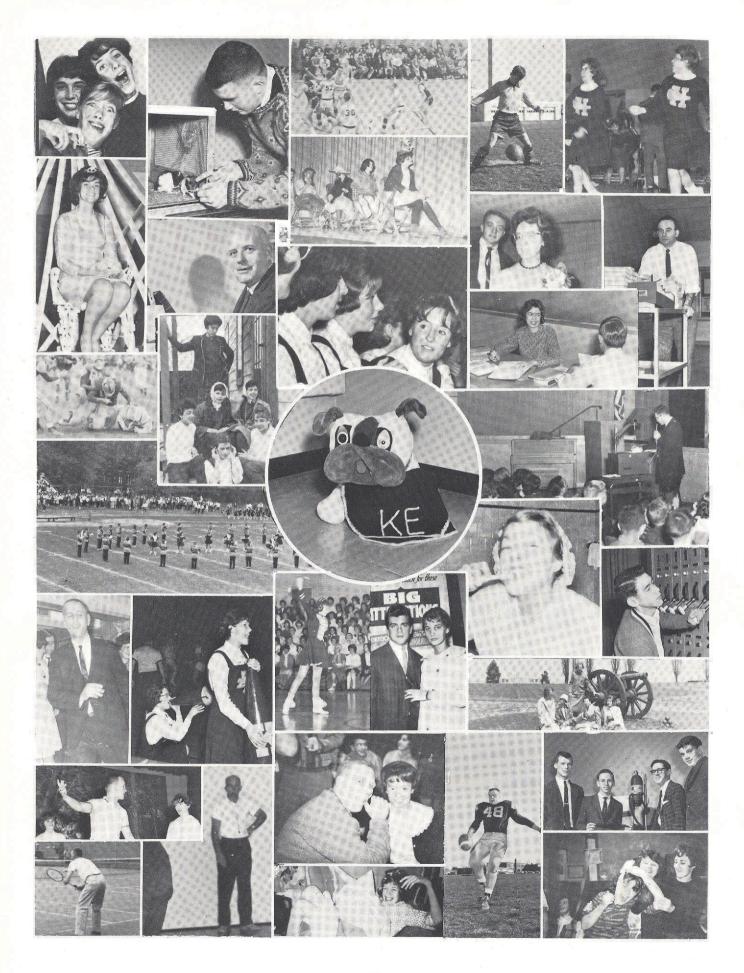

Our Senior Year began by welcoming Lizel Mercado into our class. We chose our leaders, initiated the first Blue-Gold Weekend, tied West, and elected our queen. "Curtain Going Up" and our Senior Show were smash hits. The valedictorian and salutatorian were announced and the Honor Society was solemnly elected. Enthusiastically we supported "South Pacific."

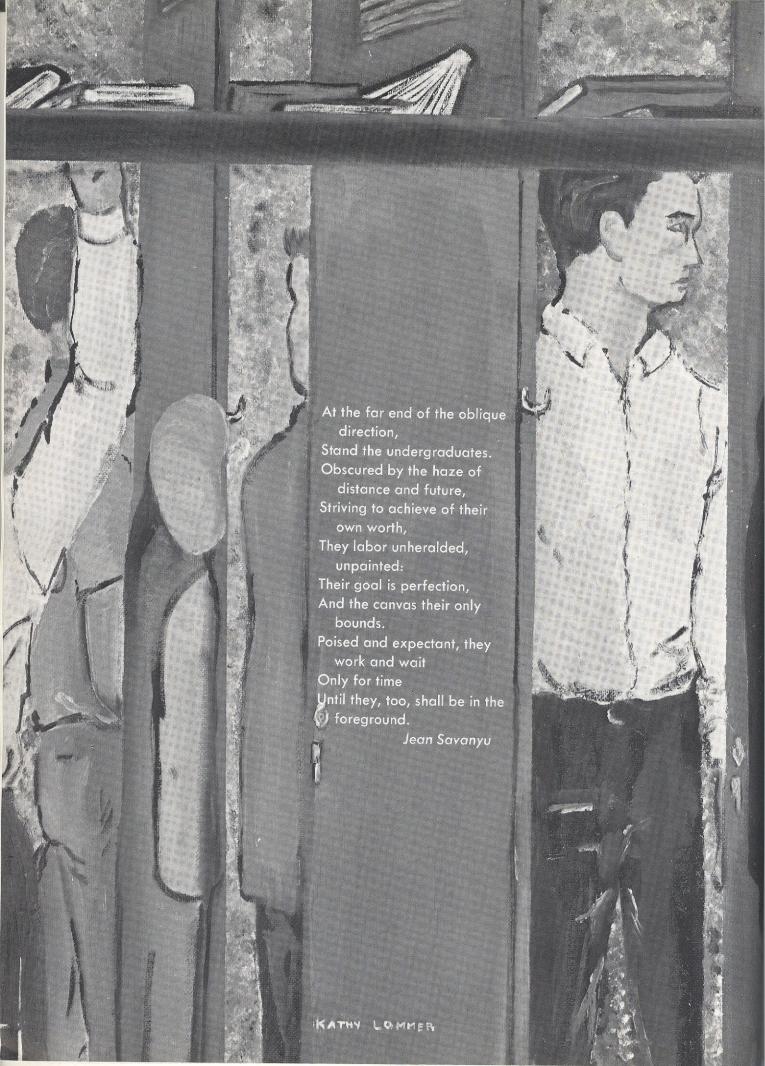

Quickly the years at East ended with Class Day, the Senior Prom, and Graduation. This had been our year, ours were the captains, the leaders. The Class of 1963 established itself firmly in the annals of Kenmore East.

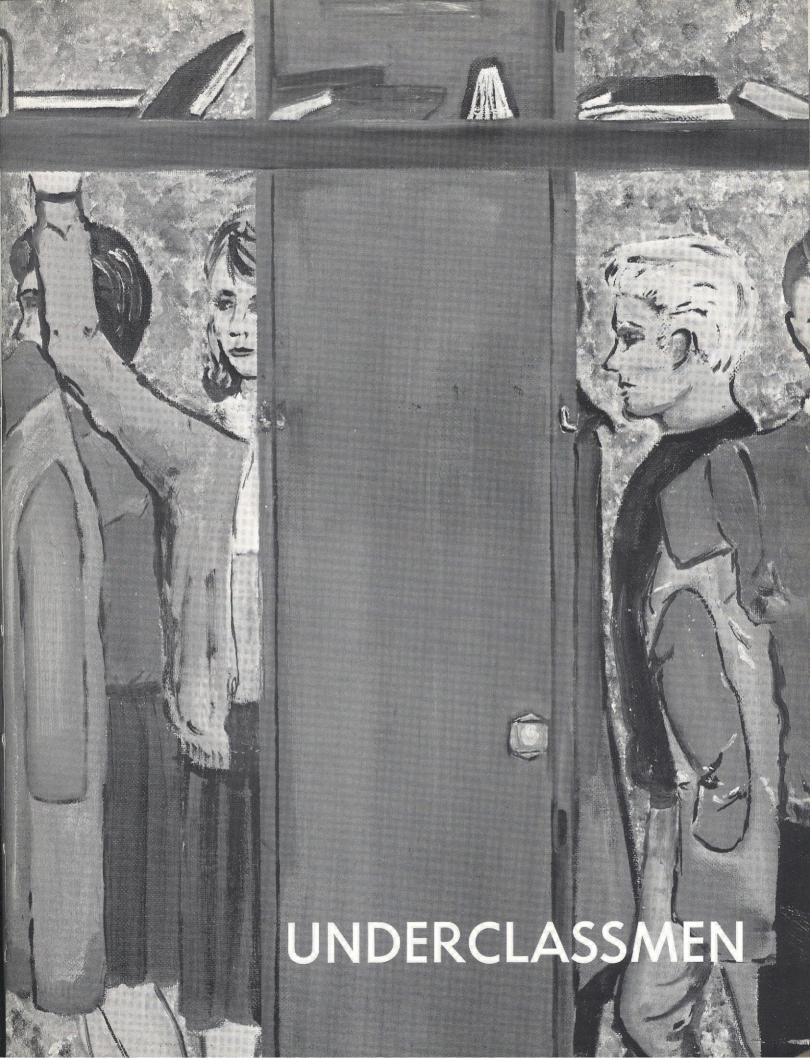

As we grow old, we will recall and relive experiences, some will warm our hearts, others we would rather forget, but all are a part of these years. Memories of our victories over West, the back-stage antics at the Senior Play, the Hopi Indians, the Colgate "13," the Student Forum Office Stuffing Record, the bomb shelter, our cultural heroes, the *Eastonian* announcements, the cheerleaders, and of familiar faces will remain with us forever.

As we leave Kenmore East for higher endeavors, we will never forget our class.

Bonnie Tieckelmann

CLASS OF 1964

Last fall when we returned to Kenmore East we realized the responsibility that lay ahead and the importance and challenge of this, our Junior year. Our class began to accept their responsibility with enthusiasm by electing their class officers. Soon after the elections, work started on our tremendously successful Junior Carnival and four finalists were chosen for th American Field Service Program. In November our class again displayed their ability to be outstanding in achievements when six juniors were inducted into the National Honor Society. As the school year progressed, our boys excelled in both Varsity and Junior Varsity sports while our cheerleaders and spectators gave their support at the games.

As we look back with pride upon our fruitful endeavors accomplished throughout our two years at East, we can look forward to our senior year with confidence and reassurance.

CLASS OF 1965

As we entered Kenmore East Senior High, we were filled with anticipation of our high school years to come. The new mode of senior high life required us to adapt ourselves to new responsibilities and to maintain the high standard of leadership that was expected of us at Kenmore East.

In December the Sophomore Class elected president, John Cummings; vice president, Jim Grafasi; secretary, Gary McGeough; and treasurer, Bill Hull. The class was assisted by advisors Miss Gary and Mr. Jack.

During this past year many sophomore students were active in varsity, junior varsity, and intramural sport activities as well as band, orchestra, and chorus. In April we were privileged to present our annual Sophomore show. In addition, our homeroom representatives played an active role in a vital school function, the Student Forum.

Thus, after completing a successful sophomore year, we enthusiastically look forward to the challenges of our junior and senior years.

SPECTRUM

This year's *Spectrum*, under the leadership of editor-in-chief, Linda Roesch, along with advisors, Mr. Kraus and Mr. Rowswell, deserves mention for their efforts with the production of our year-book. The theme "Perspective," is portrayed by looking at things from a different vantage point. Our book tries to develop character and individuality through student-composed copy, layout, and art work.

The editors of the 1963 Spectrum worked variations of an L layout design wherever possible in their sections. This lends balance as well as symmetry to pictures and copy layout. Our art staff's oil paintings found on the division pages and end leafs are, we feel, an innovation in design to portray the theme, "Perspective."

The subscription drive held during early November did well in reaching our 1200 book goal. Prior to the subscription drive, the students selling ads and patrons netted over \$1000 for their efforts. Therefore, with the combined talents and energy of many underclassmen, as well as seniors, we have reason to be proud of our 1963 edition of *The Spectrum*.

Under the guidance of Mrs. Keller, this group of students supports every athletic event. These students have sold refreshments at games and have been instrumental in forming cheering sections for athletic contests.

VARSITY CLUB

President Reid Grefe and Mr. Oelkers have planned successfully with the other members of the Varsity Club several school sports' nights along with their annual Father-and-Son Banquet.

CHORUS

The director Mr. Wunsch has had this year's chorus of 150 voices perform at several assemblies and two P.T.A. programs, at Christmas and in the spring.

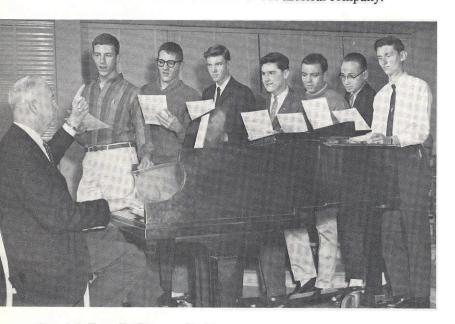

CHOIR

A selected fifty-five voices compose the choir. They join the Chorus in all the programs and in addition do special numbers when fewer voices than the entire ensemble is desired. This year the choir again competed in the All State Festival.

For the second year, Kenmore East has produced an excellent Glee Club of seven boys. They have performed at school assemblies and the two P.T.A. programs at Christmas and in the spring. The voices of the Glee Club have joined the chorus in many of their selections and have been an asset to our musical company.

The Orchestra also played for P.T.A. programs, the spring musical, and all of the school plays. Kenmore East is proud of its Orchestra and is anticipating many fine future performances from this group of talented students.

DRAMATIC CLUB AND THESPIANS

To be a member of the Thespians is an honor bestowed upon the participants of our school drama productions. A member must amass a total of ten points through his participation in various forms of a dramatic work which are held in school during the year. Miss Barrett, as advisor to our aspiring actors and actresses, instructed them in the history of the theater as well as giving techniques necessary for a stage production.

BUSINESS CLUB

Field trips to the University of Buffalo Computer Center and Western Electric highlighted the activities of this year's Business Club. FUTURE NURSES OF AMERICA

Under the capable guidance of Miss Matthews and Linda Farley, President of the F.N.A., these future nurses are learning more about the nursing profession. Their plans have included visits to Sisters' Hospital, Veterans' Hospital, and Roswell Park. F.N.A. members have made stuffed octopuses for the childrens' wards and favors for Easter. These girls also help in our immunization clinic at school.

CURRICULUM OFFICE SECRETARIES

Mr. Hyatt, our curriculum consultant, was able to give nine girls some "on the job" office secretarial practice during this past year. The girls willingly relinquished their study hall periods to aid the curriculum office with typing and filing.

These girls are to be commended for their service and spirit which will in time help them in their careers as secretaries.

When riflists have become proficient, they may join the Varsity Rifle Team; however, boys may not belong to both. With President Palmer's and advisor Mr. Reppenhagen's help, the Rifle Club recently had a course in hunters' safety.

VARSITY FOOTBALL

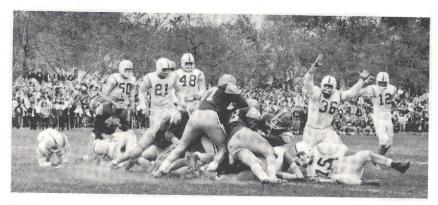

Bruce MacKellar, Captain.

Eric Christenson gets away a punt in the West game.

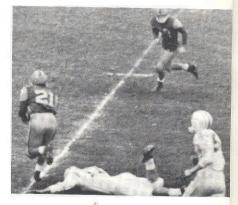

This year's football team truly deserves the congratulations of the school. As the season began four men were already out of action due to injuries. The season proceeded slowly until the Kenmore West game. This was the turning point of the season. For the first time Kenmore East distinguished itself against Kenmore West. For the remainder of the schedule our team was one to contend with, the team to beat, not the team that is easily beaten.

With many men returning next year, and Bruce MacKellar turning over his duties to next years Captain, John Dunnigan, hopes are high for a much finer season.

This past fall's cross country team truly deserves the admiration and congratulations of the entire school. Coached by Mr. Heinen and captained by Bob Matusiak, the team stormed the league, winning every triangular meet, as well as the league meet at the close of the regular season. This rounded out the second consecutive N.F.L. Championship.

At the end of the season Kenmore East was represented at the Buffalo State Invitationals where we placed second against over twenty teams. At the N.F.L. Sectionals at Chestnut Ridge Park we also placed second against over ten teams.

Two of the team's members, Al Rodland and Lew Montemaggi, were selected for the all sectional team.

With many men returning next year, led by the new captain, Lew Montemaggi, hopes are high for an even more successful season.

Varsity Swimming

Mr. Roger Hancher, Coach

This year's swimming team has definitely improved over last season. Our team finished fourth in a tough Niagara Frontier League. Led by Coach Roger Hancher and Captain Kerry O'Hara, the team took an important victory over visiting Kenmore West and went on to turn in many other fine performances.

One of the most important meets that Kenmore East competed in was the triangle swim-off against Niagara Wheatfield and LaSalle high schools at Lockport. East won with 58 to LaSalle's 57 and Niagara Wheatfield's 53 to settle a three way tie for 4th and 5th place in the 1st division and 6th place in the 2nd division.

Perhaps one of the most outstanding athletes of the year may be recognized in Captain Kerry O'Hara who performed as one of the best all-around swimmers in New York State high school competition. Other fine performances were turned in by Roger Moylan, John Thomas, Jim Alt, Wally Borschel, Craig Fournier and Dave Mangus.

Next year, bolstered by returning lettermen Vic Grassia, Mike Conroy, Jim Dormer, Bucky Klahn, Dave Hamlin and Gary McGeough, Coach Hancher looks forward to an even more improved season.

Kerry O'Hara, Captain

As time goes on and years pass, records will inevitably be broken. But what is significant is the fact that never before in the history of the N.F.L. has such a sustained assault been made on the swimming records of this school, league and state. Nor have these records ever been maintained for such a duration. Kerry O'Hara at one time held simultaneously seven school, five league, and four state records. It will conceivably be many years before the majority of these will be broken. Below are listed five of the most outstanding of these records.

100 yard Butterfly :55.4 vs LaSalle—League and State record 12-6-62

200 yard Freestyle 1:55.9 vs Niagara Wheatfield —League and State record 12-19-62

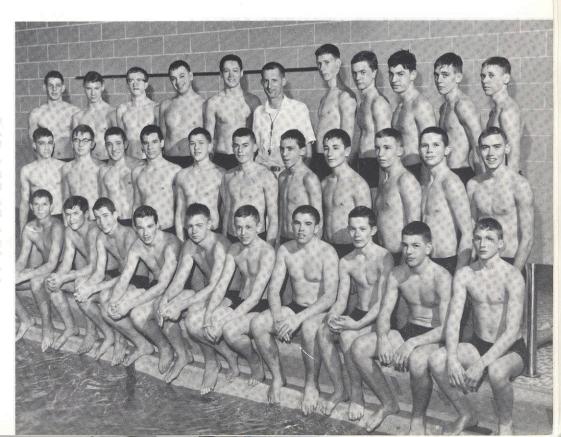

400 yard Freestyle 4:17.1 vs Lockport—League record 1-18-63

In looking at the final standings of a team, the true spirit of that team, and the true story of each game may not be reflected. Such is the case of this year's basketball team. Several times the team met discouraging defeat in the final seconds of the game; such was the case in the Tonawanda game. A complete upset was in the making until the final three seconds of the game.

A great deal of credit must be given Coach McMinn and Co-Captains John Livingston and Reid Grefe who led the team with an unfailing spirit and an unwillingness to quit. The team was given strength through the ability of John Shellum, Chuck Gullo and Eric Christenson.

Next year Coach McMinn looks forward to an improved team with the return of Ken Rutkowski, Gary Dean, John Dunnigan, Bill Geake, John Drum, Chuck Harper, and Jim Kline.

This year's wrestlers have had an improved season as the young team continued to develop. The team was led by Captain Guy Knowle, Dan Sailor, John Carroll, Bruce MacKellar, Tim Welch, Bob Wolfe, Bob Schurt, and Ernie Norman in its fight against a very tough Niagara Frontier League.

With the return next year of letterman Norm Kumm, Dave Lester, Wayne Dadswell, Guy Kline, Bill Rademaker and Tim Becker, Coaches Mr. Adams and Mr. Pine look forward to a steadily improving squad.

Wrestling

Our Rifle team, with only two returning squad members, was inexperienced. However, led by Coach Rolland Blake, the team began to build and develop. Top men were Bob Ritter and Mike Sorrell. Next year, with the return of Jim Foster, Chuck Mooney, Jay Robey, Gary Holob and Paul Courter, an improved season is anticipated.

Congratulations are in order for the first winning tennis team of Kenmore East's short history. Co-captains Jim Czmara and Terry Bishop, backed by Coach Mr. Hicks, led the team to a 7-6 final standing in June of 1962. With many experienced men returning this year, including Co-captains Alex Kuli and Dave Watt, hopes are high for an even finer season.

Kenmore East's golf team, completing its second year, continued to develop and strengthen itself under the leadership of Captain Greg Humphrey and Coach Mr. Walters despite a discouraging season. This year's team will have a greater familiarity of its home course, Brighton Park, and, under the leadership of Captain Steve Michaels, anticipates a much better year in 1963.

Kenmore East has good reason to be proud of her amazing track team. For the third straight year our team, coached by Mr. A. Heinen and Mr. R. Byrd and cocaptained this past year by Jim and John Steele, finished high in the standings. Again this spring the hopes of the team, now led by Captain Chuck Gullo, are high.

Just to give an indication of the quality of the '61-'62 team, here is a partial list of the records held at the end of that season by its members: Chuck Gullo—220 yard dash (sectional record), 440 yard run (league record); Jim Nesbitt—pole vault (league record); Larry Elsie, John Steele, Chuck Bahne, and Bill Talboys—medley relay (Kenmore Relays record); John Steele, John Livingston, Larry Elsie, Chuck Gullo—880 yard relay (league record).

Our team also distinguished itself at the Penn Relays in Philadelphia, placing 2nd in the mile relay and 22nd in the 440 yard relay against over 100 teams from over the entire (North east).

SCORES

This past year another good season was turned in under Captain Don Blasiak and Coach Bob Marafino. Perhaps one of the highlights of that season was the double win over Kenmore West, 11-4 and 5-3, both won by Fred Siems. Top pitching was turned in by Reid Grefe, who won five games. Top hitters, Wayne Beck, Russ MacKellar and Gary Dean, finished 4th, 5th, and 6th respectively in the leagues top ten batters. This year's team, led by Captain Gordy Shaw, expects to have another fine season.

Remember the day . . .

... the cheerleaders and band joined forces to boost East.

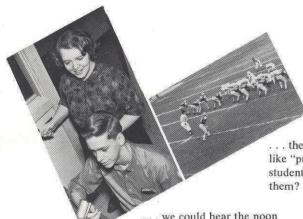

... we showed Kenmore West!

... when kids waited patiently in their seats for the bell to ring.

... the soccer team scored its first goal.

... the team played like "pros" and the student body supported them?

... we could hear the noon day announcements.

... when Kenmore East won a sportsmanship trophy?

... the student forum office was empty?

... there weren't any activities to attend?

... THE Spectrum editors didn't have any work to do?

... the people in the showcase were mistaken for manikens.

Hey kids take it easy, I'm only a History Teacher.

To thee I sing . . . on Miss Bradley's command.

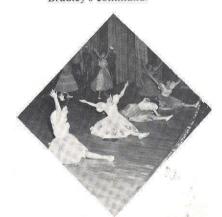

Scenes from the Show

This darn piano must be out of tune!

I could have danced all day . . . but Mr. Witzig said no.

My mother told me that all choruses sang songs

Everybody down, I heard something rip!

Take that, and that

Yes, I guess you could say I was playing the role.
