

# LIGHT

A glimmer—In the shadows of heart,

A flash—In the morning of mind,

A blush—As the soul awakens:

Light is the beginning — Strength

The courage of fire — Security

The warmth of friendship — Spirit

The glow of living—I have begun.

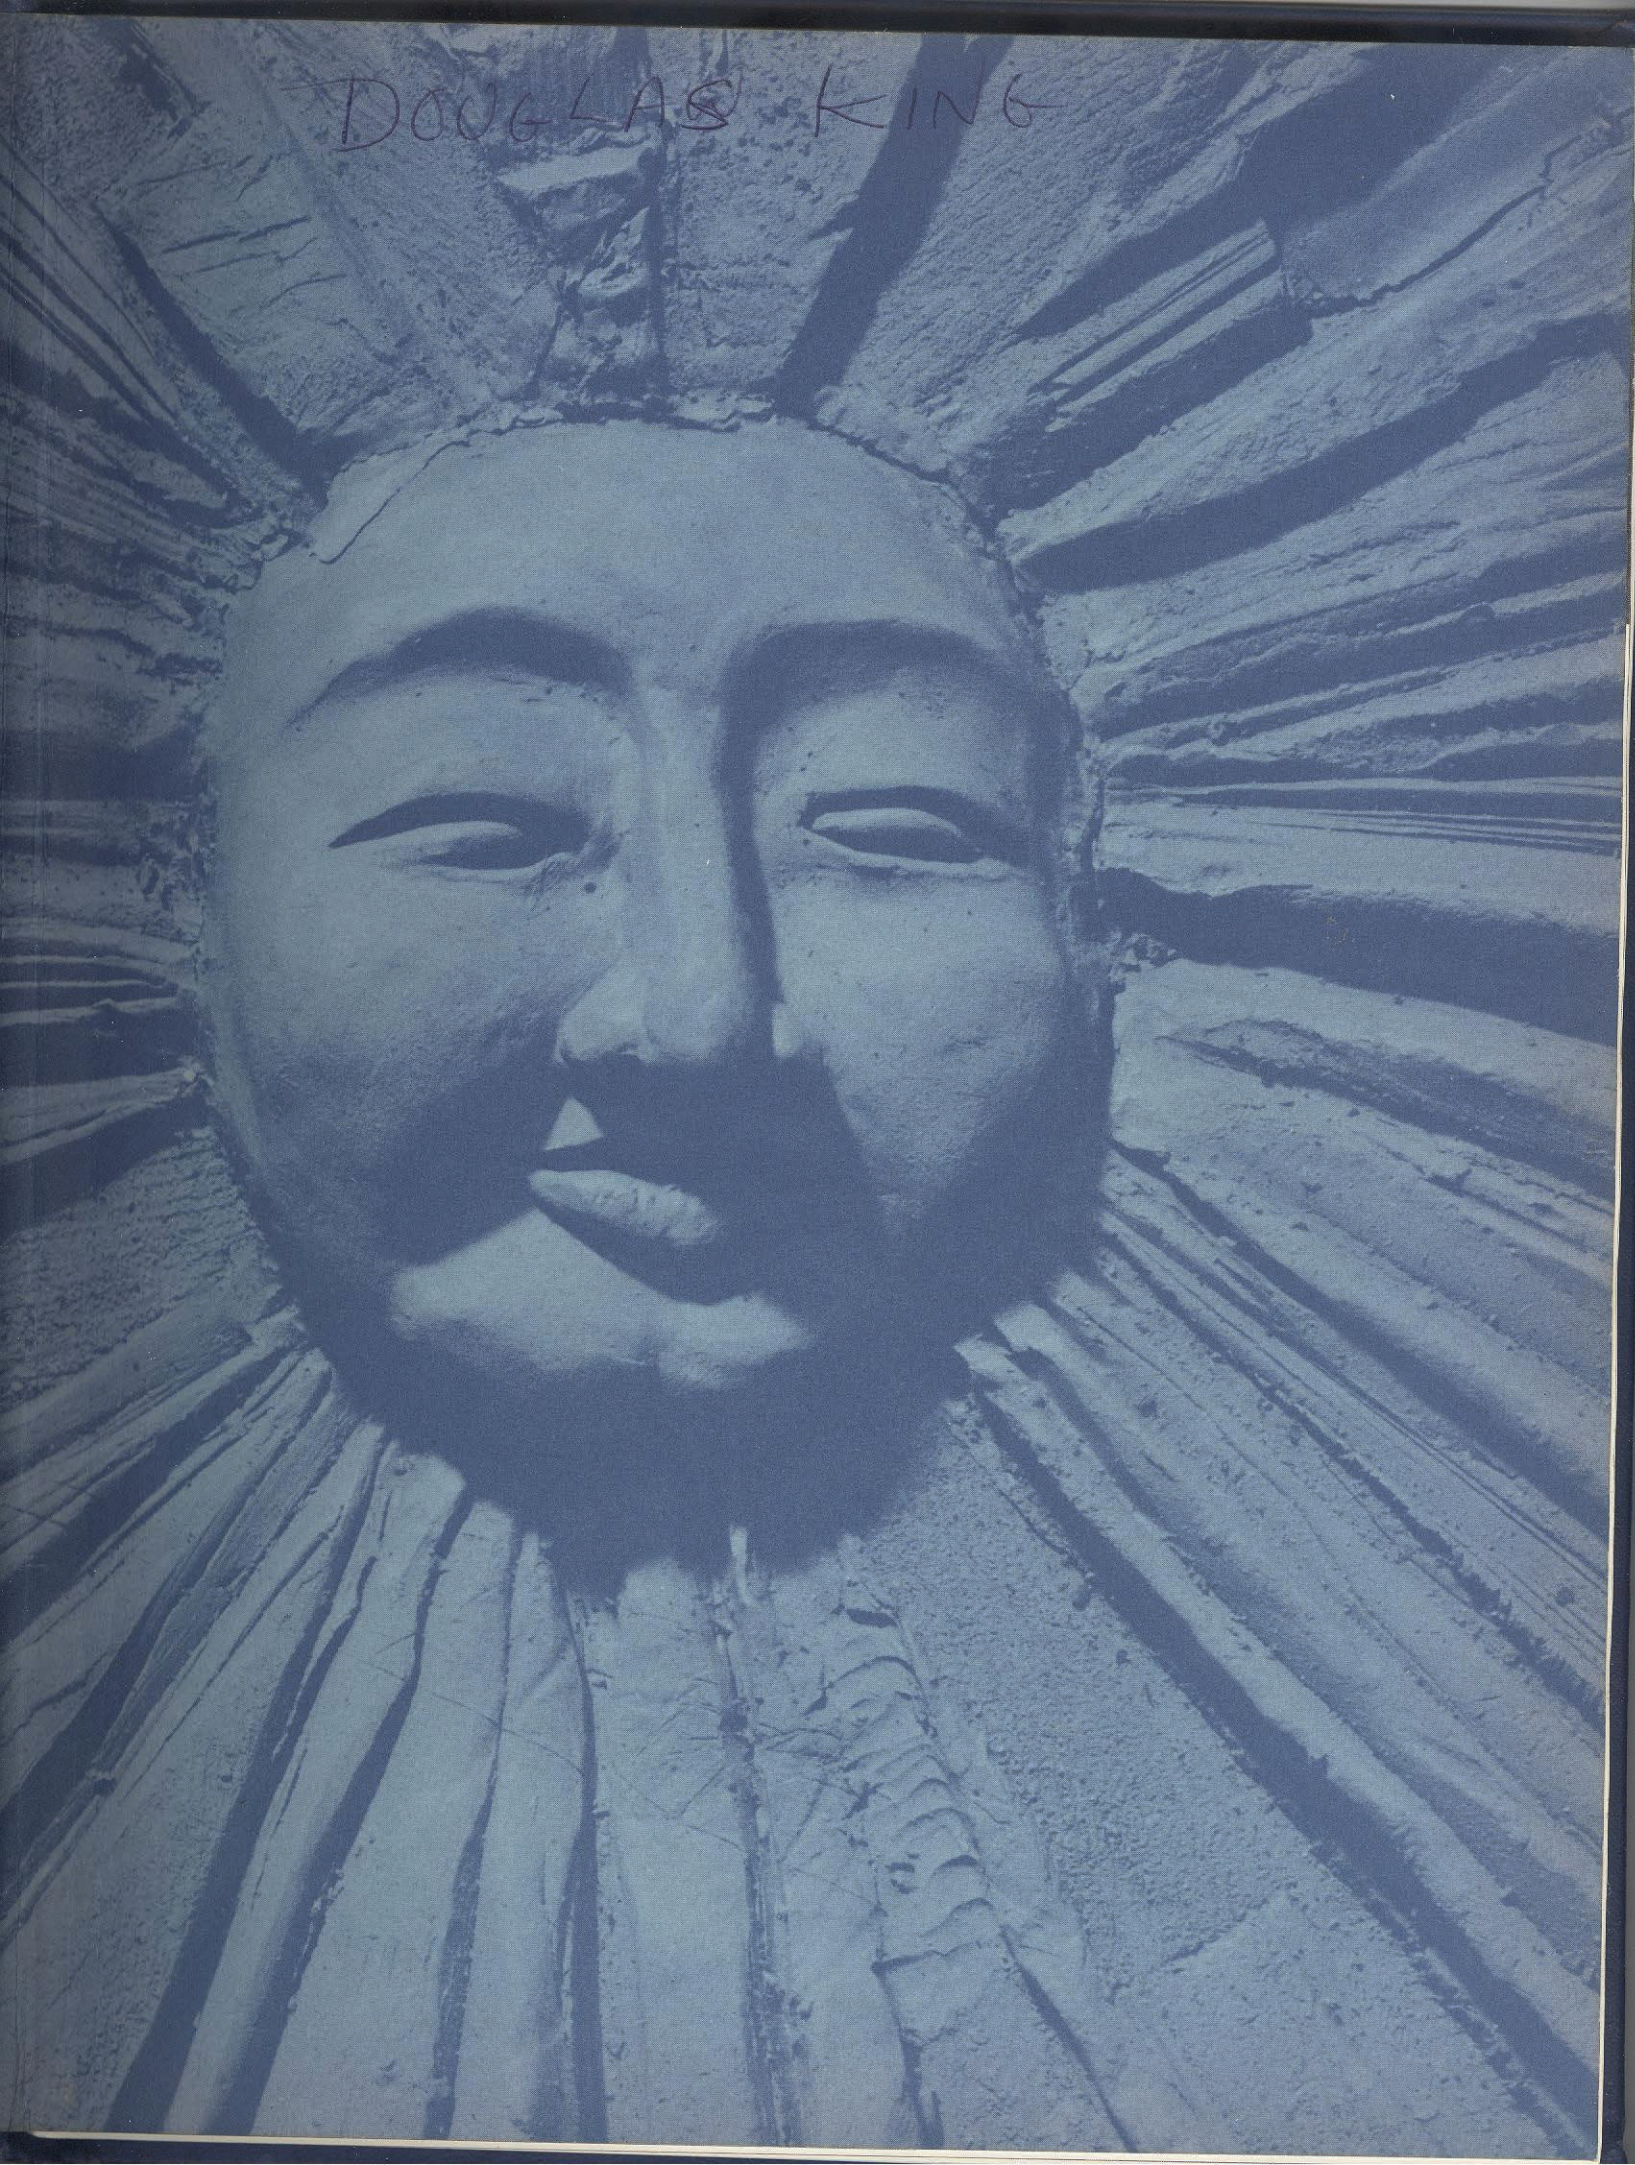

From obscurity, from night, I have borne a candle bright,

The gold of light.

## DEDICATION

John F. Kennedy

We dedicate our yearbook to John Fitzgerald Kennedy.

We remember the moments of crisis, the relief of peace. We remember with smiles, his smiles, his grace and wit. We remember disbelief at the hour of his death. We remember prayers. We remember the sorrow of our country and the world, the quiet dignity of his wife and his successor. We remember trust in God and the words of the young President's inaugural address which assumed a deep meaning for each of us:

*"Let us go forth to lead the land we love, asking His blessing and His help but knowing that here on earth God's works must truly be our own."*

We remember him.

FACULTY AND

ADMINISTRATION

Wandering in darkness, confused, we know not where to turn:

They lift from obscurity;

They are the light that shows the way. Unwavering, it beckons us to follow.

The glow is strong, confident in its Truth. It is our choice:

Will we reject the light, remain in darkness,

Or heed its summons and travel

The freeway of Knowledge?

Lauren Wixson

S. Lucht

## ADMINISTRATION

Traditions and school spirit have been important factors in Mr. Witzig's job as principal of Kenmore East Senior High School. Since we entered Kenmore East in the fall of 1961, several new academic traditions have been initiated under his leadership. The most recent addition for our academic consideration has been the humanities study program which was preceded by new courses in business, home economics, and team teaching history.

School spirit is seen best illustrated in our extra-curricula and sports programs. The Blue-Gold Weekend and the Winter Carnival are just two of the most recent activities that we have participated in this year.

Mr. Witzig, we have profited from our three years at Kenmore East, and feel we owe to you our gratitude. We trust our Alma Mater will continue to prosper under the fine leadership you and the faculty have afforded us.

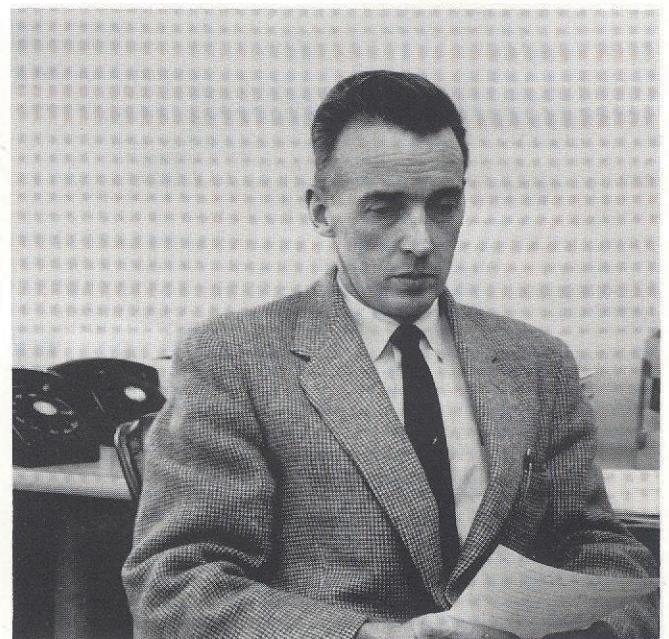

Mr. Albert Witzig

Mr. Alan Mac Gamwell

Mr. MacGamwell, our assistant principal, is a most respected and well known member of the administration. His duties bring him in contact with most of the students sometime during their years at East. Mr. MacGamwell's pleasant and gracious manner in handling student affairs is truly a trait which many of us will remember in the future.

Mr. Frank K. Hyatt

Mr. Hyatt, our curriculum consultant, is primarily concerned with the programs and scholastic records of students throughout the school year. He has also aided our student exchange programs and assembly committees. Each student at Kenmore East has benefited from his work.

Mr. Frederick Wunsch, instructor of choral and musical studies, and Mr. William Mosher, conductor of the school orchestra and bands, provide our aspiring musicians and singers with capable guidance and Kenmore East with many memorable performances.

Science, language, and mathematics play an important role in modern education. Our departments of mathematics and science, led by Miss Mary Williamson, and Mr. Roger Hancher respectively, strive to prepare our young people for "the new frontier" of learning. Another aspect of education that enriches the minds of students is the choice of languages that may be studied. Latin, Spanish, French, and German are offered to students in all classes and stimulate interest in our neighbors throughout the world. Well represented here at Kenmore East, these courses provide her students with material which enables them to gain a better understanding of the world that surrounds us.

Kenmore East not only prepares her students for college life but also instructs those people who may begin their careers directly upon graduation from high school. Her departments of business, industrial arts, and home economics are well-staffed to offer such training. Each year many students choose these fields of mechanical and practical study.

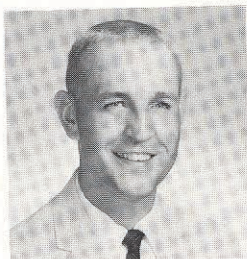

Special services are as much a part of Kenmore East as regular classroom studies. Our guidance department offers counseling to all students while the school nurse provides medical care. In addition, all students are required to take physical education classes twice a week: the gym and swimming pool are available to everyone. Special students benefit from the guidance and instruction of qualified teachers.

## HISTORY AND MUSIC

Our heritage as Americans is a significant part of our education. Kenmore East's courses in history and art deal not only with the past and present, but also with the future of ourselves and our country. Our social studies department, headed by Mr. John Szabo, provides instruction to our students in both classical history and current events. Under the direction of Mr. Herbert Roswell, the art department supplies a cultural and aesthetic appreciation to an increasing number of students.

### IN MEMORIAM

Mr. William J. Pawling, a history teacher in the Kenmore Public Schools for nearly twenty years, died this past December. Mr. Pawling's sense of pride in being a teacher was recognized on many occasions by his former students through the personal regard they expressed on his behalf. He also shared his dedication to teaching with many of his co-workers who will long remember his smile and humor.

# SENIORS

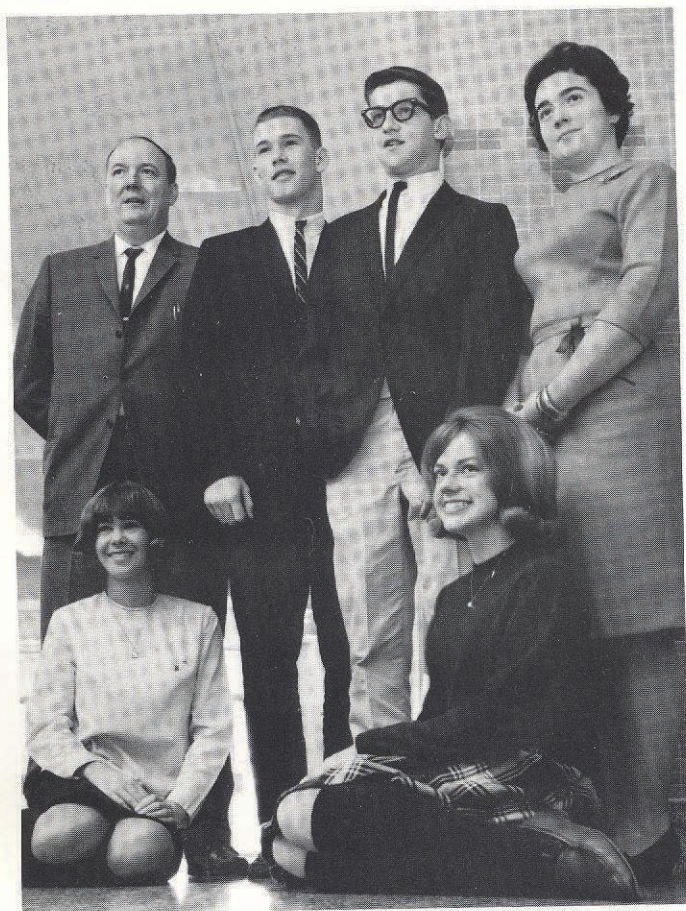

*Now comes the long awaited time.  
The third act ends;  
And from the stage,  
Half fearfully, we look out  
At the darkened world;  
Then gather courage from the footlights,  
Symbols of knowledge and hope,  
For success in the drama of life.*

## 1964 CLASS HISTORY

The candle flickers weakly; soon our days at Kenmore East will be at an end. Not wishing to leave, yet knowing we must, we think back upon these years and recall with mixed emotions the events that took place.

In September of 1961 we entered, for the first time, the august corridors of Kenmore East. Unsure of ourselves at first, we bravely stepped into the whirl of events. Quickly we found new friends and a firm footing in the ways of our school.

Much of our attention was at first focused on the spirited athletic contests. We followed with great interest the fortunes of the Big Gold varsity teams and cheered wildly for the J.V.'s. The sophomore cheerleaders, Chris Geiselhart, Bonnie Hein, and Diane Spolaric, exemplified to the school the great enthusiasm of our class.

Soon came class elections. Bob Young, Sue Kelley, George Constantino and Jean Muir were victorious. Under their guidance and the zealous participation of the entire class, *Studio East*, our sophomore show, was an unqualified success. The year rolled on, and almost before we knew it, we were comparing examination grades.

After a pleasant vacation we returned to school and assumed a new air of importance: we no longer had the dubious distinction of being sophomores. Knowing the importance of our junior year, we plunged earnestly into the academic and extracurricular activities of our school. Many of us became leaders in student government and schoolwide activities as well as enthusiastic boosters of class functions. A large portion of college-minded juniors also managed to take such new and different standardized tests as the P.S.A.T. and National Merit Scholarship Qualifying Test. We were well on the road to seniority.

As juniors we took an even greater interest in varsity sports. Our former sophomore cheerleading trio was now, with the addition of Joanne Good, a quartet. The Blue-Gold Weekend, the first of its kind, was a great success, for it was the first time our football Bulldogs were not overpowered by the Blue Devils. By the same token our basketball team, composed of many fine juniors, was successful in capturing both East-West games. In league competition the spectators were victorious: East again won the Sportsmanship Trophy.

In the fall of our junior year we elected a new team of class officers: Bob Young, Sue Schillo, George Constantino, and Chris Geiselhart. With these people to guide us, we began working energetically on our next project, the Junior Carnival. Every member of the

Class of '64 recalls the fun of throwing ice-cold sponges at Mr. MacGamwell and Mr. Byrd, as well as the elaborate planning necessary to transform the West cafeteria into a western saloon. Thus we chalked up our second class success. Another great step toward seniority was the Junior Prom. None of us will forget that encounter with polka dots and moonbeams.

The year closed quickly, the summer came and passed, and suddenly we were seniors. Our minds were whirling with the initials R.S.A.T. and C.E.E.B., college applications, transcripts, and class placement. Our future loomed before us, yet we had to be concerned with the present: we were leaders of the school.

Though responsibility weighed heavy upon our shoulders, we still had time for other activities. Our enthusiastically supported football team, led by all-league stars Ken Rutkowski, George Constantino, Gary Dean and Buzz Dinwoodie, aided East's causes in bidding for first place contention during much of the season. The senior play, *The Man Who Came to Dinner*, evoked laughter from the entire student body and many parents. Before we had finished applauding Mike Solly's brilliant performance as Sheridan Whiteside, the senior show was in full swing. The auditorium was certainly never louder or gayer than during our *Hootenanny* when everyone chimed in to sing.

Thus the senior class, and the student body as a whole, moved vigorously forward. We were interrupted, however, by a worldwide tragedy, the assassination of President John F. Kennedy. On that sorrowful Friday, November 22, and the days and weeks to follow, we, as students and Americans, mourned the passing of a great leader. We watched as President Lyndon Johnson gathered the reins of government and unified the nation in this time of crisis. We came to realize, perhaps as never before, the great strength of our government under freedom.

Amidst this sorrow, grief again struck our hearts. Mr. William Pawling, a dedicated social studies teacher in our school system for many years, passed away in December. It was indeed "a time to mourn."

Yet we, as seniors, were obliged to move toward the completion of our high school careers. The Honor Society inducted its new members, and we attended the Senior Tea, the Senior Prom, Class Day, and finally Commencement. The largest class to be graduated from Kenmore East, we regretfully left the corridors where, through extracurricular and academic participation, we had begun on the road of learning.

. . . the candle flickers, and dies.

by Peter Willis and Lauren Wixson

## PROPHECY

With the aid of our searchlight, we have decided to depart from our usual trip forward into time, and, instead, go back into history to observe how some of the members of the class of '64 may have lived then.

The city-state of Athens is, indeed, a very busy and beautiful place at the time we see it. A series of elections is now being held between John Leamer and Larry Patterson to determine which one will be ostracized from the city. The faction composed of Bob Miess, Nancy Wargo, Don Gerth, Judy Schurr and Esther Mintz is in violent disagreement with citizen Leamer because of his stand on charging tolls for public highways. Ray Ayers, Linda Hereth, Diane Gaiser, and Ed Vance, on the other hand, are in favor of the policy as being a better means of securing public revenues than the taxes which are collected by Dan Dillon and Sandy Toth. The argument will soon be settled by Cheryl Ross who is busy counting the shell ballots.

At the same time the elections are taking place, there is much activity going on in other parts of the city. At the Kraft amphitheater, for instance, a play written by Dennis Dussalt, and starring Ann Torrance is now in process. The mere fact that women will be acting for the first time has attracted many viewers such as Ron Weber, Diane Fessel, Dave Cronk, Larry Weiss, Nancy Thurheimer, and Barb Bartz. The play, a comedy, seems to be going quite well as Dan Hecker, Sue Wagner, and Dick Thomas, the three stoics, have evoked great laughter from the crowd. A tribute is, of course, in order for Ken Taylor, Nancy Vullo and Sue Lucht, who are in charge of scenery and Wayne Gifford and Linda Long, co-directors.

In another part of the city, a large crowd composed of Kent Hixon, Jane Eschborn, and Beth Schottmiller has gathered around Bill Meyers as he makes his debut as a philosopher. He is meticulously elucidating such current topics as the high price of the Schwegler and Simmons chariots. Around the corner, a great debate is raging between Craig Hoffman and Lois Hilficker who, before a curious crowd composed of Jenny Sinatra, Judy Durrell, Dan Burgess, and Janis Will, are discuss-

ing the merits of the seven god versus the eleven god system. Archimedes, who had yesterday unashamedly jumped out of the bathtub shouting "Eureka!" was discussing his new discovery with fellow scientists Jim Dormer, Priscilla Talbot, Cynthia Davis, Burt Sellers, and Bob Pranis. Nearby is Bob Schmidt, the noted athlete, giving instruction on shot putting to Nancy Arnold, Cindy Van Galder, Karen Francis, and Lois Kranz, who are still having trouble lifting the shot.

The tenor of life in Athens has been briefly interrupted by the cries of Bob Knight, Beatrice Bezinque, and Peggy Critelli who are spreading the news of an accident at the corners of Hoover and Pek Avenues. It seems that while Ron Harter and Don Jones were directing the flow of traffic at the intersection, a suped up chariot driven by Wayne Yost careened around the corner, narrowly missing pedestrians Cheryl Krieg, Marcia Owens, and Paula Murphy, but hitting Nancy Barrie and Sandra Eatmon. The horses did not stop until they had demolished Bob Page's Papyrus Back Book Store and Gary McNally's fruit stand. The injured were taken to Carter Hospital in an ambulance driven by Dan Cullis. Nurses Susan Monin and Linda Daul comforted the passengers on the way. Once at the hospital, the victims were treated by Drs. Dave Liberante, Mike Indian, and Fran Meyer. Also hearing of their plight, florists Elaine Robinson and Marion Schuchardt sent flowers.

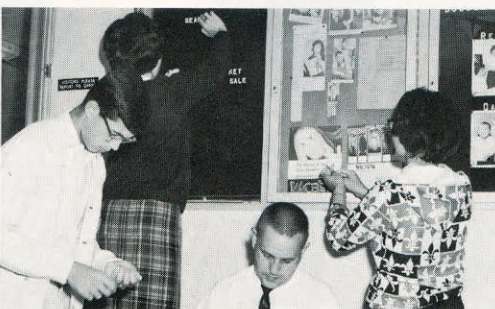

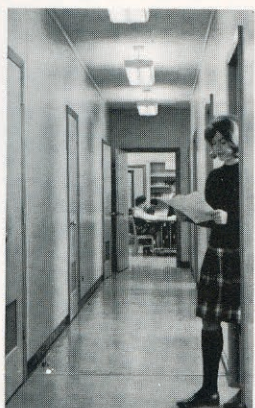

Before going forward into time, we catch a glimpse of the Acropolis, built with the help of architects Larry Rabkin and Connie Hesslink; sculptures Dan Heckler, Lonnie MacPherson, Maryann Theet; and stone cutters John Hoagland, Dale Johnston, Bill Osborne, and Bernie Mulvey. Many worshipers are out today. The temple of Bacchus is crowded with patrons Jack Ward, Sandy Schilling, Barb Yates, Ron Rifenburg, and Ron Plesh. Lois Leifer, the God of Hunting, also seems to be doing quite well, attracting such people as Nancy Kaiser, Frank Pastore, Sue Mussel, and Bob Pearson.

Thus we leave Greece, and, after this quick glimpse into the past, we enter the present once again.

We stand at the threshold of eminence:  
Now subordinate; soon supreme;  
Now the followers; soon the followed—  
The globes of luminescence,  
Will have witnessed our transition:  
    From babes to children,  
    From children to adolescence, and  
Will soon behold our greatest transition:  
    From dreams to reality;  
    From the background to the foreground;  
    From underclassmen to seniors.

## CLASS OF 1965

Upon returning to school this past fall, we could foresee the challenges and responsibilities ahead of us. One of our first accomplishments was the election of our class officers. In October we elected as president, John Cummings; vice-president, Jim Grafasi; secretary, Don Esposito; and treasurer, Bill Hull. The class was ably assisted by advisors, Miss Hendrickson and Mr. Jack.

In November we built our Junior Class float. This float, "Stairway to Success," won first place in the Blue Gold Weekend competition. In February we presented our spectacular Junior Carnival, which upheld the classical tradition of prior years. In addition Juniors obtained positions in the Student Forum, Honor Society, Varsity Athletic squads, band, orchestra, and service clubs.

Now, at the close of our second year at Kenmore East, we beam with pride toward our accomplishments, and look forward to the challenges of our Senior year.

## CLASS OF 1966

September 1963 found a large group of boys and girls anxious to make our mark and be a credit to Kenmore East. We wanted to live up to the precedent set before us and to exceed and surpass our predecessors if possible. We were determined to maintain the high standard of conduct which we know Kenmore East students have established in the past.

After a period of getting acquainted, the Sophomore Class elected officers in December. President, Jim Weide; Vice-president, Betty Monaco; Secretary, Sam SanFillippo; Treasurer, Gregg Moore. The first duty of these officers was to elect our advisors Mrs. Pearson and Mr. Reuter.

Every member of the Sophomore Class attempted to make a contribution to the school in one way or another. Many participated in varsity, junior varsity, intramural sports, as well as band, orchestra, chorus, debate, and dramatics. With the pressure of higher education becoming more evident, our studies were not neglected either.

The spring brought forth our best efforts in the annual Sophomore Show.

The Student Forum was attended with a knowledge that in order to be a well informed person we needed to participate in its government. We were proud to be able to be a part of it. Success in our Sophomore year brought anticipation for the next two years as Juniors and Seniors.

# CLUBS AND ACTIVITIES

A single thread of light  
Entwines itself throughout these halls,

And supports the very structure  
of the school.

It reinforces downcast spirit,  
... sparks new ideas,  
... serves as a prism,

Dividing the spectrum into many colors,  
many groups.

From the somber purples of the intellectual,  
To the gay reds and yellows  
of the sportsman

... develops the mind  
... conditions the body

Inviting newcomers to become a part.

## STUDENT FORUM

We at Kenmore East are extremely proud of our Student Forum. The Forum's first objective is to serve the student body. This year the Forum accomplished that goal in many varied ways, such as, in sponsoring the Blue Gold Weekend, school assemblies, the Winter Nocturne, *Where's Charley?* and the United Fund campaign. The Forum also gave school clubs an opportunity to raise money by letting them sponsor record hops after sporting events.

President Bob Young and the Cabinet worked hard to carry out many of the Forum's plans. Mr. King, Mr. Szabo, Mr. MacGamwell, and Mr. Flanagan acted as advisors.

## SKETCHBOOK

This year's *Sketchbook* was the first to include art work. Mr. Keller and art editor Sue Gillman worked hard to make the *Sketchbook* especially attractive. Many students submitted poems and essays to editor Marsha Walker and to the literary editors Susan Babinsky and Mark Farrell. Yes, the *Sketchbook* provided a grand opportunity to spotlight the artistic and literary talents of Kenmore East students!

## HONOR SOCIETY

Scholarship, character, leadership, and service are required for membership in the National Honor Society. This year's new members were inducted at an impressive assembly on January 17th after being extensively screened through a series of rating sheets prepared by teachers and reviewed by Mrs. Facos and Miss Kremming, Advisors.

One of the Society's greatest services to Kenmore East was an orientation for junior high students coming here next year. A social highlight of the Honor Society's year was the annual spring banquet. At that time members entertained their parents, the administration, the school board, and faculty.

The *Spectrum* staff this year worked toward the goal of producing a yearbook of the finest quality. Under the guidance of business editors Janet Leslie and Bob Knight, we collected more than \$1200 in ads and patrons and sold 1,300 yearbooks, thereby making the *Spectrum* a financial success.

All the book's writing and art centered around a theme of "Light." Art editor Sue Gillman worked with her staff to create the sculptures, pictured on our division pages. Lauren Wixson, as literary editor, collected and edited original work from his group.

## Editors

Cooperation is the by-word when undertaking the task of publishing an annual. Jean Savanyu, our *Spectrum* editor-in-chief, did a great job of coordinating all departments. She worked in close cooperation with Mr. Kraus, the *Spectrum's* advisor. Mr. Rowswell was art advisor; he aided Sue Gillman in the art department.

# EASTONIAN

East is proud of its excellent bi-weekly newspaper the *Eastonian*. The "voice of the student forum" keeps us well informed on developments and activities concerning the student body. Under the guidance of Mr. Kellar, the staff has produced regular articles on sports, the Forum, and columns such as the "Inquiring Reporter." These articles make the *Eastonian* the great newspaper that it is. Events such as the Journalism Workshop held at Williamsville High provided training for our future journalists.

## Editors

These students were greatly responsible for the success of our newspaper. Each editor was in charge of a different department of the *Eastonian*. As editor-in-chief, Lois Hilfiker, deserves special recognition. She and her group of editors did an exceptional job of organizing and editing our newspaper.

## A.F.S. COMMITTEE

As a branch of the Student Forum, the A.F.S. Student Committee worked to make our foreign student feel at home and understand American life. Members of the committee took the student to movies and places of cultural interest such as concerts and museums. Chairman David Lester and advisor Miss Planz lead the committee's activities.

*Row 1:* D. Lester, Chairman; M. Peacock, R. Lorton, Miss Planz, Advisor. *Row 2:* K. Tanner. *Seated:* J. Binder, L. Hill, C. Horba. *Row 3:* A. Miskell, J. Pakland, S. Albrecht, A. Rekawek, M. Britt, G. Fisher, C. Sonne, N. Rexford, S. Eiduson.

### Reinhild

Reinhild Mantz represented her Home-country Germany as an A.F.S. exchange student to Kenmore East. Reinie, as many of us knew her, will study to become a pediatrician as soon as she finishes her last year of high school in Hanover. For this year she was a member of the Young family with Kathy, Carol, and a younger brother. This family was quite a contrast to her eight brothers and sisters at home. Many of us at East feel closer to the German people thanks to Reinhild.

### Carleen

Carleen Goeckel was the first student from Kenmore East to spend an entire year abroad under the A.F.S. program. Carleen was our "ambassador" to Vienna, Austria, where she belonged to the Josef Albrechtsberger family. She had an older Austrian sister named Melita. In Vienna Carleen studied in high school plus one course at the French Institute in the University of Vienna. She will skip her senior year at East and go on to college. We are proud of Carleen and appreciate her excellent representation of us abroad.

## FINALISTS

These four students were chosen after careful consideration as candidates to go abroad as A.F.S. students. The adult A.F.S. Committee selected them for intelligence and personality. One or two of these students may represent us in a foreign country this spring or next winter.

Molly Peacock, Anna Rekawek, Nancy Rexford, Linda Potter.

## DANCE BAND

Musically talented boys were selected from the Marching Band and Orchestra to play in the Dance Band. Under the direction of Mr. Mosher and their president Eric Traub, the band rehearsed every Wednesday for two hours. The Dance Band played at East and in area schools for assemblies, dances, and proms.

## MADRIGALS

During the Elizabethan period Madrigals originated in Italy and England. Initially they performed for their own enjoyment, but with their revival in recent years they have been performing for public entertainment. The Madrigals singers, who met with Mr. Wunsch on Wednesday afternoons, sang not only Madrigals but also American folk songs. They sang publicly at assemblies and P.T.A. programs and worked in the Chorus and Choir.

Row 1: Mr. Wunsch, Director; K. Nichols, L. Keller, C. Johnson, M. Johnson, M. Sexton, C. Yanello. Row 2: J. Rabiuff, J. Cook, K. Teigler, C. Scott.

## STRING ENSEMBLE

This small but talented group of musicians met three times a week under the direction of Mr. Mosher. As a part of the school's curriculum, the String Ensemble gave its members a chance to practice playing musical instruments in a group. Members of the Ensemble made up the nucleus of our orchestra for the school musical, *Where's Charlie?*

Row 1: R. Mantz, S. Kelsey, K. Gawel, L. Miess, M. Dixon, C. Kusselow, E. Kramer, Mr. Mosher, Director. Row 2: S. Cavallo, D. Stendahl, P. Rogers.

## CHORUS

As a regular course in the curriculum of our school, Chorus teaches the fundamentals of choral singing and provides a wide relief from academic pressures. Under the direction of Mr. Wunsch, the Chorus sang at the Christmas and Spring assemblies and also at P. T. A. programs. During the Christmas season the Chorus sang carols at the Boulevard Mall. Some Chorus members also participated in the All-State Sectional Choir, and the Erie County All-High Choir.

## MAJORETTES AND COLOR GUARD

The Majorettes and Color Guard headed by Judy Schurr provided enjoyable half-time entertainment with the Marching Band at our football games last fall. The girls attended the Erie County and Lackawanna competitions and marched in the Memorial Day Parade. Nine majorettes received varsity letters for their twirling. Mrs. Kramer acted as advisor for this group of Kenmore East representatives.

## CONCERT AND MARCHING BAND

Our band did a wonderful job this year. Under the direction of Mr. Mosher, the Marching Band played at football half-times, marched in the Memorial Day Parade, and performed in regional competition. As a Concert Band, this group played for the P.T.A. and in school assemblies. Members of the band rehearsed two days a week during class time and once a week after school.

## CHOIR

The choir's purpose is to meet the needs of students who have a better than average singing ability. Mr. Wunsch, the director, helps members to prepare music of a high caliber for public performances. This year the choir sang in programs for the junior high schools and also participated in regular Chorus activities. Choir members practice together every Tuesday after school.

Row 1: G. Long, Student Advisor; G. Lindemann, E. Ellis, D. Stendahl, P. Goss. Row 2: T. Schauger, Secretary-Treasurer; T. Seal, President; R. Mansfield, Vice-President; G. ## AUDIO VISUAL CLUB

The Audio Visual Club, under the advisorship of Mr. Walter, served the school by providing audio visual equipment and projectionists for classes and clubs. The members were also responsible for the smooth and efficient handling of productions and assemblies. The business meetings of the club, which were held every Thursday night, kept its members up to date with instruction on the maintenance of equipment.

## WHERE'S CHARLEY?

The hilarious musical comedy *Where's Charley?*, our school production for this year, was presented March 6th and 7th. Mr. Reed did a fine job as director of this huge production. Miss Gumins worked as choreographer, Mr. Mosher as musical director, and Mr. Stearns as associate musical director. The production involved many students in all phases of a dramatic production.

The play takes place at Oxford, England, in 1890. Charley Wykeham, a college boy, dresses up as his aunt in order to chaperone his girl friend. The most memorable songs of the play are "My Darling, My Darling" and "Once in Love with Amy."

On ladder: Charles Grifasi, Carolyn Decker. Standing: Mr. Reed, Director. Seated: Miss Gumins, Choreographer. Absent: Mr. Stearns, Associate Musical Director; Mr. Mosher, Musical Director.

## LIBRARY ASSISTANTS

The main objective of this group of energetic and efficient students is to provide our school with an orderly and a self-sufficient library system. The staff is under the competent guidance of Miss Easterbrook, our school librarian, who is also assisted by Mrs. Potter. Thanks, people, for a job well done!

*Sitting:* L. Krentz, E. Cronk, P. Decker, S. Jones, Miss Easterbrook, Mrs. Potter. *Standing:* S. Koch, M. A. Brittain, G. Geisler.

## P.A. STAFF

Five familiar voices at East belong to members of the P.A. Staff. These students provide a great service to our school by informing everyone during fourth period about guidance news, sports, and club activities. The members tried out for positions in September. Mr. Mac Gamwell and Mr. Reed selected them for their public speaking ability.

*Row 1:* Clarejean Haury, Mike Solly. *Row 2:* Pam Davis, Florence Antonucci, Doug Henderson.

## CURRICULUM OFFICE SECRETARIES

On the job training gave these select business students valuable experience in their chosen fields. In return the girls used their secretarial skills to give our school a much needed service. They worked in cooperation with Mr. Hyatt in the curriculum office completing forms and other routine typing tasks.

*Seated:* D. Johnston, C. Sweet, L. Kranz, S. Wood, P. Buck. *Standing:* J. Schuh, J. Turner, S. Farley, J. Eschborn, J. LoCurto, K. Torchia.

## BUSINESS CLUB

As a service club, the Business Club sold refreshments at all winter sports events. Because the club is formed as a corporation, its members learn the function of a business organization by actually participating in one. This club did a fine job in decorating the business showcase throughout the year.

## OFFICE AIDES

These girls generously donated their services during study halls to the guidance and attendance offices. They distributed attendance sheets and collected discrepancy reports everyday under the supervision of Mr. Batterson. Office Aides were recognized with a certificate of service for their good work at the close of each year on Class Day.

## BOOK CLUB

The Book Club provided Kenmore East with a bookstore where students could purchase review books, lab books, and also paperbacks. These paperbacks provided excellent reading material for students who wished to start a personal library on a limited budget. We thank the club members for giving us a most needed service.

P. Elder, C. Fien, R. Deering, E. Smiljanick, B. Cozzolino, Mr. Charles, Advisor.

## DEBATE AND POLITICAL AFFAIRS CLUB

This year the Debate and Political Affairs Club achieved its goal of giving members a knowledge of current social and economic world problems, as well as a skill in orally defending their ideas. Co-chairmen Bruce Caley and Michael Schultz along with advisor Mr. Reppenhagen helped establish a debating association which included eight other schools. Members of the club also participated in the annual Model U.N. Assembly.

## PERSONALIZED TYPING CLUB

College-bound students who wanted to learn basic typing skills did so this year under the capable guidance of Mrs. Bucher. Members of the club learned to type with accuracy as well as speed. They also learned centering, fundamental letter styles, and simple tabulation. Each typist was given individual help and learned to type manuscripts and term papers correctly.

## ART CLUB

The Art Club, under the leadership of Mr. Rowswell, provided a studio for members who wished to work on individual art projects. They also had the opportunity to visit many art exhibits during the year. The club provided a big service for the school by constructing the scenery for *Where's Charlie?*

Members studied all the general fields of math, from boolean algebra to mathematical probabilities and statistics. With the club's advisor Mr. King and president Wayne Gall, the club has had a most successful year.

Row 1: Mr. King, Advisor; W. Freid, R. Miess, W. Gall, President; M. Holmes. Row 2: M. Groden, C. Bergenstock, J. Duke, R. Lorton, Vice President; A. Botens.

## FUTURE NURSES OF AMERICA

Future Nurses of America, under the guidance of advisor Miss Matthews and President Florence Antonnucci, serve to interest and aid girls who plan to enter the nursing profession or other health careers. These girls visited various hospitals around the city. F.N.A. members helped a needy family at Thanksgiving, made favors for Christmas, and participated in other service projects. Each year these girls also help Miss George with the immunization clinic.

## CHESS CLUB

Intellects were challenged every Thursday night for the battle of the KESH Thinkers. Mr. Spencer supervised their bouts over the chess boards. At meetings the members improved their technique and learned new plays. The 1964 Chess Club organized tournaments between its own members and with other area high schools.

## VARSITY CLUB

President George Constantino and advisor Mr. Oelkers ably led the Varsity Club this year. The group of varsity letter winners was very active. Among other activities, the members sponsored a Sports Night for the school, a Parents' night, and a picnic for themselves. These boys also helped the school by aiding officials at sporting events.

## VARSITY CHEERLEADERS

Nine of East's most energetic girls made up the varsity cheerleading squad. Under the direction of their advisor Mrs. Chotoff and Captain Diane Spolaric, these girls practiced cheers for football and basketball. The cheerleaders represented East well and set a good example of sportsmanship for the school.

## J.V.

### CHEERLEADERS

The Junior Varsity Cheerleaders boosted our J.V. teams to many victories this year. These six sophomores sometimes joined forces with the Varsity Cheerleaders to encourage our Varsity teams. The girls were chosen from stiff competition to represent East. The squad worked hard under the supervision of captain Judy Begeny and advisor Mrs. Chotoff.

### BOOSTER CLUB

The Booster Club, a branch of the Student Forum, has served Kenmore East by promoting school spirit. Members supported every athletic event, and along with their advisor Mr. King, President Cindy Van Galder, and Vice-President Sue Schillo, students sold refreshments at home football games.

Absent—Chris Geiselhart.

## SPORTS PUBLICITY AND SERVICE CLUB

A new activity this year was the Sports Publicity and Service Club formed to publicize sporting events, sell tickets, and record scores. Especially for managers of the eight J.V. and thirteen Varsity teams, the club, guided by Mr. Chotoff, enabled its members to learn how to keep team records and statistical information, administer first aid, and handle equipment correctly. The personal goal of many members was to get a Varsity letter for managing a team two years.

*Kneeling:* M. Indian, N. Schwagler, S. Ritchie.  
*Standing:* Mr. Chotoff, Advisor; F. Palmer, M. Smith, D. Jones.

## SPORTSMANSHIP COUNCIL

These students acted as representatives of Kenmore East to the Niagara Frontier League Sportsmanship Council. The Council consisted of five representatives from each school in the League. The organization sponsored a program in which all schools were rated with points for their students' conduct at sporting events. In the spring the Council convened to total each school's points and award the Sportsmanship Trophy.

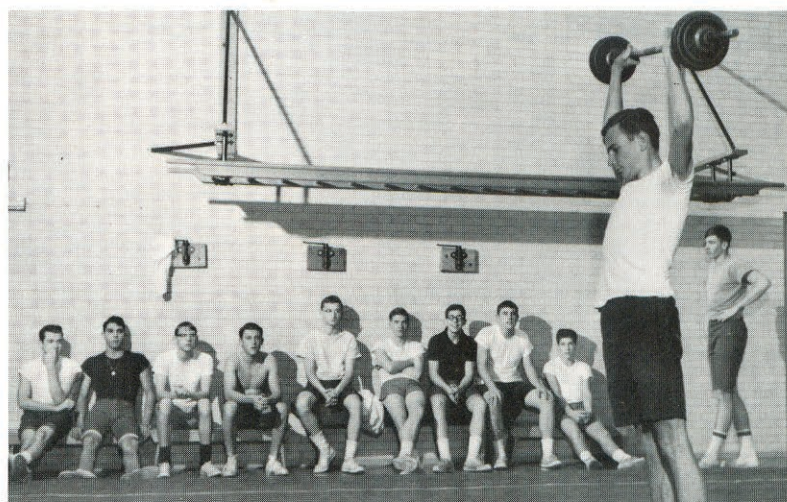

## CO-ED SWIM

Fun was the purpose of the Co-ed Swim Club. Its members worked diligently and enthusiastically to achieve this goal. They participated in vigorous games of water basketball and keep-away. Diving and racing were other popular activities in this group. The patient advisors and lifeguards were Miss Mackett, Miss Camardella, and Mr. Adams.

## WEIGHTLIFTING CLUB

Isometrics and weight lifting kept these boys in top condition. The brawny students worked out once a week under the supervision of their advisor Mr. Pine. The club served two purposes. It helped athletes keep in shape when they were not participating in a sport, and it helped the boys improve their physical appearance.

## RIFLE CLUB

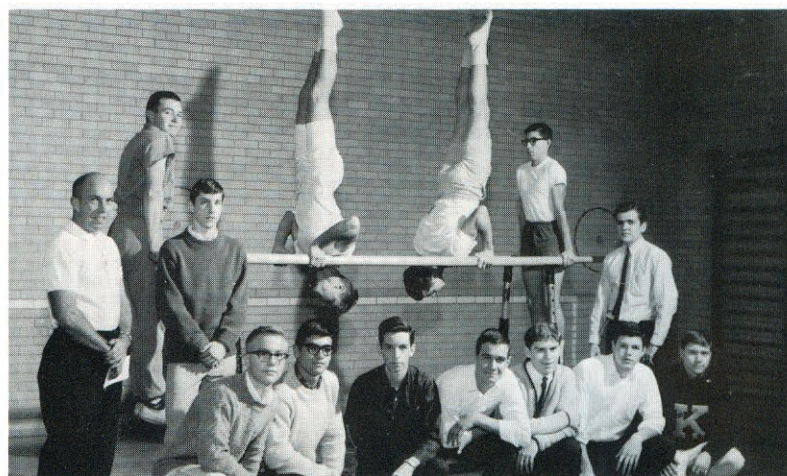

Every Tuesday on the rifle range, members of the Rifle Club participated in a series of classes. The club's goal was to learn the rules of rifle safety. The students this year practiced for the Varsity Rifle Team and greatly improved their marksmanship. Frank Palmer was again president, and Mr. Reppenhagen was the club's advisor.

## GYMNASTICS CLUB

This year's gymnastic team represents Kenmore East's first venture into the field of competitive gymnastics. During the winter 20 boys responded to the call for gymnastics and formed the nucleus of another Kenmore East first edition. Plans are in the making for informal competition in gymnastics with Kenmore West and several other schools in the area. This is the start of bigger and better things in athletics at Kenmore East High School.

## HUMANITIES SEMINAR

The Humanities Seminar was a new and successful activity this year. Members of this group met on Saturday mornings to discuss books concerning art, music, and other cultural subjects. Everyone participated in stimulating discussions and listened to many interesting lectures. The members were chosen for their interest, academic ability, and maturity. Mr. Szabo and Mr. Keller acted as advisors with the help of Mr. Kontos, Mr. Stearns, Mr. Cohen, and Mr. Hyatt.

## FUTURE TEACHERS OF AMERICA

This year's F.T.A. was perhaps the most active club in the school. Under the leadership of President Meg Gamin and advisors, Miss Cotter and Mr. Moore, the members gained a better understanding of the teaching profession.

The highlights of this year's many activities were a program given by the Reverend Mr. Burke and the annual Teacher Visitation Day. The latter gave interested members an actual working experience in teaching. As an extra service the F.T.A. honored our school's faculty at the annual Teachers' Tea on Teacher Recognition Day.

The members include Ken Arena, Ron Manne, Bob Kopf, Bill Meyers, Sue Babinsky, Lorie Hill, Linda Horvatis, and Lois Hilfiker. The Chairman is Pat Haney.

As many other countries in the world, the United States also has a native folk dance. This dance is the American Square Dance. It started with the founders of our great nation and has grown into one of the most popular recreational activities in the U.S.

The Modern Square Dance Club, under the guidance of Mr. James McQuade, was initiated this year. The square dancers have the intended purpose of having fun while learning.

# SPORTS

With the sweat of our brows,  
And the strain of our limbs,

Get the ball, score the goal, fight all the way.

Molding our minds, steeling our bodies,  
We prepare to face the world.

For most the scholastic light was not enough,  
To satisfy ourselves we sought another.

Many pursued this added light on the courts and  
fields of alma mater.

Others discovered it through the interscholastic  
challenge:

These we revered and honored.

## VARSITY FOOTBALL

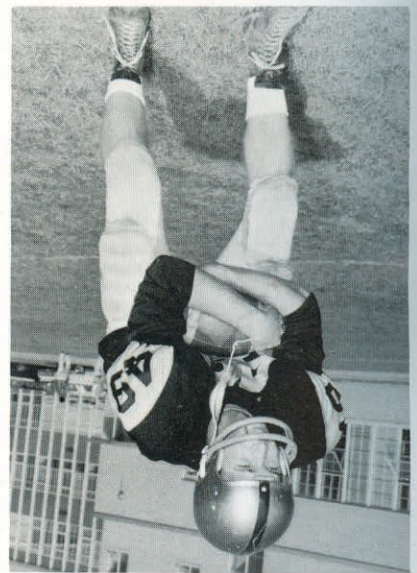

East's 1964 football team was the second most successful squad in the school's history. Picked by almost all of the pre-season experts to finish near the bottom in league standings, the Blue and Gold clinched a tie for fourth place in the Niagara Frontier League. Our final record was won-4, lost-3, and tied-1.

As is true in every sport, much of the responsibility for a team's success or failure rests with its coaches. Kenmore East's two fine coaches, Mr. Jack Oelkers and Mr. Richard Adams, can be justly proud of the accomplishments of this year's squad. The players functioned together as a cohesive unit, the result of good coaching, and provided East's students with some long-to-be-remembered thrills and frantic moments of excitement.

John Dunnigan proved to be the finest captain the team has ever had. In Bob Young, the Big Gold had an able field leader; in Ken Rutkowski we had possibly the finest running back in Western New York. John, Ken, Bob, George Constantino, Buzz Dinwoodie, and Gary Dean received post-season all-league honors.

The team and student body support resulted in Kenmore East gaining more stature as a school to be respected both on and off the field. Next year's captain will be Greg Walters, and to him and all the players on the 1964 football team go the students' wishes for a successful season.

## CROSS COUNTRY

Last fall, for the first time in the school's history, Kenmore East did not field a league-winning cross-country team. The squad, small and inexperienced but proud and determined, finished second this year. Ironically, though, on the basis of times, it was the best team in the school's history.

As usual, in what has become something of a tradition, a senior new to the sport came out for the squad and became an outstanding runner; this year it was Jim Klein. Lew Montemaggi, the captain, turned in several outstanding performances despite some poor breaks at the end of the season. Jim Graff, who has been elected next year's captain, was one of Western New York's finest runners at the end of the season.

The team took a second in the league meet and placed third in the Sectionals. The Coach, Mr. Alfred Heinen, deserves our congratulations for coaching East's fifth consecutive outstanding team. The school recognizes and appreciates both his efforts, and the efforts of the boys under him.

## VARSITY BASKETBALL

Kenmore East's 1963-1964 basketball team was the best in the school's history. The two victories over West were almost enough in themselves to make the season a success. But in addition the team won more games than any of its predecessors.

Seniors provided most of the "go" on this year's squad. Guard Jim Klein became a consistently high scorer, one of the league's best around midseason. Captain Gary Dean proved to be a staunch rebounder and scorer. And who can forget Charlie Harper's and Ken Rutkowski's beautiful drives? Big (6' 6") John Duke, the only Junior to break the starting lineup, was a big help under the boards. These boys, along with seniors Bill Gaeke and John Dunnigan, saw most of the action this year and all of them did excellent jobs.

With probably the league's best JV team returning to join Pat Norton, Joe Muni, and other players from the 62-63 JV squad to form next year's varsity, the future looks bright. Franklin and Hoover are sending up strong teams, too. Under coaches Jack McMinn and Robert Marafino, these players should be able to combine to make Kenmore East one of the N.F.L.'s strong basketball entries in the years to come.

## Varsity Swimming

Coach John Kontos with Captain Mike Conroy.

Although this year's swimming team failed to set many new records, it turned in some fine performances. The boys worked under a new coach, Mr. John Kontos, who will have a fine junior varsity squad to work with in his second season as coach next year. We wish him and the swimmers the best of luck in the coming season.

As on most of the other KE teams, the seniors contributed greatly to the squad's success. Diver Jim Dormer set and reset several times his own school record. Captain Mike Conroy stood out in the individual medley and backstroke events. Dave Hamlin, Craig Hoffman, and Bernie Mulvey also turned in good performances. All in all, it was not a really bad year, and prospects are bright for the future. The school thanks and congratulates the squad and the coaches, Mr. Kontos and Mr. Herbst, for their efforts and successes.

woodie also turned in consistently good performances. Congratulations go to all the wrestlers, the coaches, and captains Klein and Bill Rademaker for a fine job this year.

Despite the fact that it didn't begin the season rated too highly, Kenmore East's 1963 baseball team turned out to be the finest in the school's short history. Under the leadership of Coach Robert Marafino and Captain Gordy Shaw, the players' hard work and sincere desire were rewarded when they finished in a second-place tie in the Niagara Frontier League. The most notable victory in the won-9, lost-4 season, certainly the one that meant the most to the players, was the thrilling win over LaSalle, the eventual league champions.

If the baseball writers were correct in saying that the team didn't have enough talent to finish where they did, then the players made up for this lack with something better-spirit and a will to win. Their fine record is a tribute to each team member, and the school is proud of their efforts and accomplishments.

This year's squad has returned with a nucleus of seniors, led by captain-elect George Constantino. They have again represented their school well. Kenmore East congratulates them, and wishes the best to Coach Marafino and all future Big Gold teams.

Gullo ends high school career anchoring sectional record—setting relay team.

March, 1963, marked the inception of Kenmore East's fourth consecutive outstanding track season. From the first day the boys ran outside in the snow until the day of the Sectionals in June, the team proved time and again that it was one of the best in the Niagara Frontier League. The team's strength lay in the running events, in most of which East could place a man or team as good as any in the area. The Bull Dogs ended their season fittingly, placing fourth of fourteen teams in the triple A Sectionals. Chuck Bahne completed his unbeaten senior year there with a victory in the 180-yard hurdles, and East's once-defeated 880-yard relay quartet turned in a Section VI record time of 1 minute, 32 seconds.

The Sectionals also marked the end of the high school career of Chuck Gullo, team captain and one of the finest athletes ever to attend East. Undeclared over three years of varsity competition in the spring events, Chuck amassed over 200 points for the team during this span, and retired as holder or co-holder of one state and three league records. He, too, ended his career in typical fashion, tying a sixteen-year-old Section VI record in the 100-yard-dash, 9.9 seconds.

This year's team was led by Captain Ron Manne and a nucleus of veteran seniors. Coaches Mr. Alfred Heinen and Mr. Robert Byrd have worked hard with this team, as with other teams in the past, to continue the fine tradition that they have set at Kenmore East.

## GIRLS' ATHLETIC ASSOCIATION

### G. A. A. OFFICERS

Kathy Werrick, Cheryl Alexander, Beth Hogan and Lynn Barta.

The Girl's Athletic Association comprises Kenmore East's most lively and spirited girls. Under the direction of Miss Markett and Miss Camardella, the G.A.A. has instilled enthusiasm and vigor into the girls who, in turn, have actively participated in many sports. The varied athletic program begins with soccer and field hockey in the fall, and develops into basketball, volleyball, bowling and swimming in the winter, with badminton and baseball during the spring months.

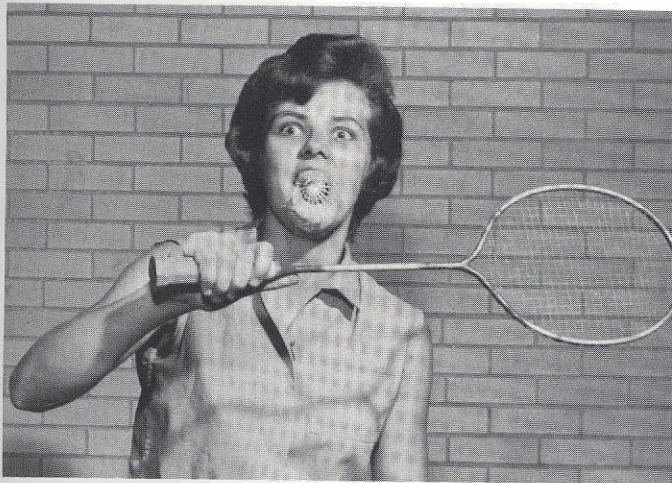

Some of the most skilled and enthusiastic girls were chosen to represent Kenmore East on interschool basketball, field hockey and swim teams. By practicing diligently after school, these "honor teams" have successfully met with Amherst, Kenmore West, North Tonawanda, Sweet Home, and Williamsville High Schools.

Basketball was the favorite sport among the girls this year with over one-hundred girls participating. Energetic teams played fast-moving exciting games and thoroughly enjoyed this thrilling sport.
