

Francesco Cardillo

Buffalo State Head Coach

Francesco Cardillo was named the head men's soccer coach at Buffalo State in February 2019 after serving as the interim head men's soccer coach for the 2018 season, leading the Bengals to an 11-5-2 overall record and a berth in the SUNYAC playoffs.

Cardillo has spent the previous three seasons as a member the Bengals coaching staff, including the two years as the lead assistant on the men's staff after one year as the top assistant on the women's staff. Cardillo was part of the staff that earned United Soccer Coaches East Region Coaching Staff of the Year in 2017 after pacing the Bengals to a 14-3-3 overall record, just one win shy of matching a school record for wins in a season. Buffalo State was ranked as high as 13th in the nation. Buffalo State also qualified for the NCAA playoffs for the first time since 1984. In two seasons with the Bengals staff, his teams combined to post a record of 25-10-4 and in his one season with the women's team, the Bengals were 15-4-1.

Cardillo was also a key part of the men's program's turnaround during his playing days. A tough midfielder, he transferred from SUNY Canton in 2013 and was named All-SUNYAC in both seasons at Buffalo State, leading the Bengals to 15 wins in two years, a marked improvement for a team that won just one game in 2012.

A native of Oakville, Ont., the dual citizen completed his bachelor's degree from Buffalo State in business administration.

Andy Sivi

Buffalo State Assistant Coach

Sivi joined the Bengals' coaching staff as an assistant for the 2017 season to work with the team's goalkeepers and became the lead assistant in 2018. He completed his bachelor's degree in economics from the University at Buffalo where he played one season for the Division I Bulls. He was a Region I ODP player and also earned All-Greater Rochester honors as a high school player. A native of Webster, NY, he has served a goalkeeping and assistant coach at Global Premier Soccer since 2015.

Camp Philosophy

This camp is for both the experienced and beginner soccer player. Players will be divided into different groups based on their age and skill level. There will be several experienced coaches who are involved and enthusiastic about the game, as well as current Buffalo State soccer players! The camp will focus on technical ability as well as provide instruction as to off the ball responsibilities. The camp is designed to be a fun experience for the players while helping them improve their game!
