**“Dreams come a size too big so that we can grow into them” -- Josie Bisset**

*Dear Parents, Guardians and Students,*

*Welcome to 2020-21 at Edison Elementary! We are continually inspired by our students, their enthusiasm, engagement and eye toward the ever expanding horizon ahead.*

Student classroom assignments have been challenging in this dynamic climate. A large amount of time and thought has been spent to ensure the success of your child. We've taken into account learning histories, individual student needs and the needs of clusters of students that work with special teachers for a seamless transition into the new year.

**Your child's teacher and classroom number are printed on the label at the top of the page along with a cohort letter (A or B). All children will start with remote instruction four days a week. Once your child returns to a hybrid learning environment later this year, they will attend in-person Mon/Tues ( Cohort A) or Thurs/Fri (Cohort B). All children regardless of remote or in-person instruction will continue to have four days of live teacher instruction available to them.**

This year, together, we will experience and overcome unknown challenges in our pursuit of academic excellence. We recognize the extreme social emotional demands placed on our learners and will make every effort to provide comfort through our inclusive school community.

We appreciate your patience as we maneuver through this uncharted territory!

All our Best to you,  
*Mr. King and the Edison Elementary Staff*
