

# Lindbergh Elementary Materials and Supplies Distribution

As we start the new school year in a remote model, Lindbergh has developed a plan for an orderly pickup of student materials, such as workbooks, manipulatives, reading materials, and, if requested, an Ipad. If you ordered the school supply kit, this will also be available at this time. Staff has been diligently working to gather student materials/supplies to start the new school year.

## When:

September 8th at 12:00–6:30 pm

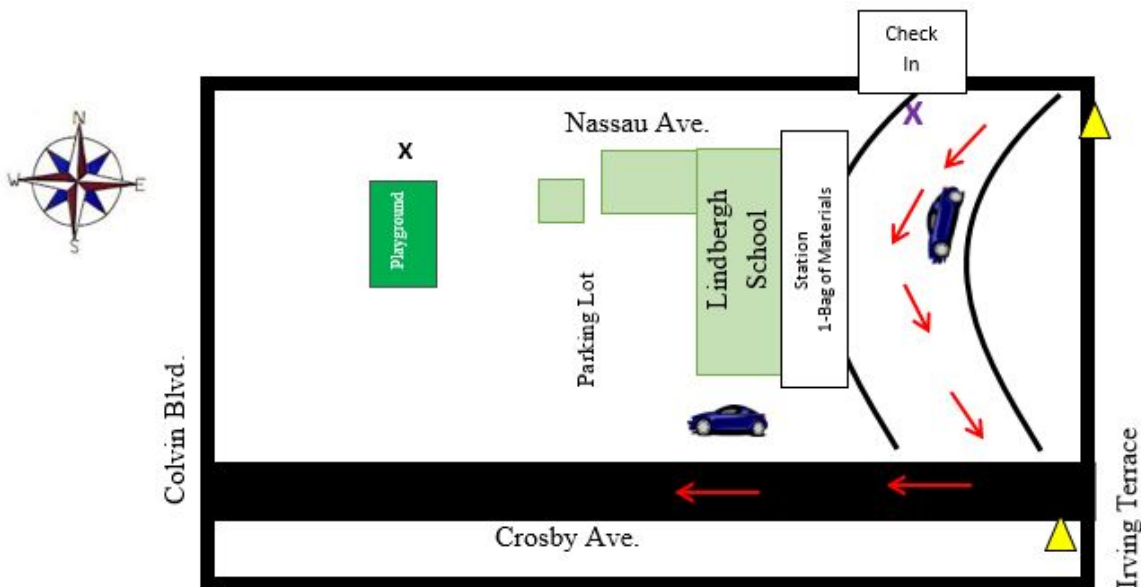

September 9th at 12:00–6:30 pm

## Student Pick Up of Supplies

### Pickup of Student Supplies: Station #1 (Bus Loop)

- Enter the bus loop from Irving Terrace.
- Staff members will be positioned at the front of the bus loop to get the name of the students. The staff member will radio inside for whose supplies are needed.
- Staff members will carry the bag of supplies to the car and place it in the trunk of the car.

We look forward to the days in which students return to Lindbergh Elementary this year.

Stay strong and safe!

Sincerely,  
Ann Maccagnano  
Principal
