(League Use Only – League Age _____)

What is Lions Pride Baseball?

Lions Pride Baseball is a newly formed program gauged (to start) for the beginning baseball experience for our young people wanting to learn the great game of baseball.

We will be offering instructional programs from May 15th through July 3rd, then moving forward to “house league play” from July 10th through August 31st. During the second period, younger level instruction baseball will still be offered and operating.

Our Instructional program ages like this:

- ** Beginning T-ball (ages 3-5)
- ** Intermediate T-ball (ages 5-7)
- ** Beginning baseball (ages 6-8)
- ** Practices & Scrimmage games (ages 9-10, 11-13)

Players always playing, learning and practicing within their age groups.

If your son or daughter has never played baseball and is older and in need of instructions, this can and will be included. Based on number of sign-ups, days of the week for instruction are not definite at this time, with the exception of T-ball (Saturday mornings). There will be days during the week offered as well.

Our concession stand will be open during these practice periods, so refreshments will always be available. (Coffee for the Saturday morning parents will be there as well).

This program is sponsored and run by the *Tonawandas Erie Canal Gateway Lions Club*.

Remember:

Instructional baseball & T-Ball start on May 15th... house leagues start on July 10th. All players are eligible for instructional league as well as house league. First time and less experienced players encouraged to be involved in both sessions.

You, the parent, make the ultimate decision as to where your child would be most comfortable to play. If our coaches deem movement due to skill level, we will discuss this first with parents.

Our prices are very reasonable for this. (Currently, we are funding this program with numerous bottles & can drives). We will do a fundraiser for the program.

WE WANT YOUR CHILD TO PLAY BASEBALL

Toward the end of the first session, there will be parents and kids' games and parents' vs kids' games. All grandparents and/or guardians are invited to play as well.

Instructional session: \$45 per player. Family deals are available for both sessions:

2nd session (House League): T-Ball \$45, Rookie League (6-8) & Minor Division (8-10) \$55, Major (10-13) \$65

COME JOIN OUR PROGRAM FOR SOME GREAT FAMILY SUMMER FUN !!!!
