

STUDENT CODE OF CONDUCT INFORMATION

(abbreviated version)

2023-2024

The Kenmore-Town of Tonawanda Union Free School District is committed to providing a safe environment for students, staff, and visitors. Responsible behavior by students, teachers, support staff, other district personnel, parents, guardians and visitors is essential to achieving this goal. The District has a long-standing set of expectations for conduct on school property and at school functions. These expectations are based on the principles of civility, mutual respect, citizenship, character, tolerance, honesty and integrity. The Code of Conduct defines these expectations for acceptable conduct on school property, and identifies the possible consequences of unacceptable behavior to be administered promptly and fairly.

This document provides a general outline for students of The District's Code of Conduct. The complete text is available for review on The District's website or can be accessed directly by scanning the QR code above.

Some other areas addressed in the Code of Conduct but not highlighted in this document are the following: Alternative Instruction/Programs, Disciplinary Procedures, Penalties and Referrals, Discipline of Students with Disabilities.

Our District is Committed to Using a Restorative Approach to Discipline

Restorative Practices encompass an approach based on fostering relationships, strengthening understanding, repairing harm, and building strong communities. This is accomplished by identifying and addressing the needs and harms that occur when there is conflict in the school community through the process of cultivating empathy and modeling conflict resolution skills. The purpose is to create meaningful relationships, which are central to building thriving communities. The goal of the Restorative Practices approach is to shift the focus to repairing harm and restoring the relationship hurt by the action, rather than attending to a predetermined consequence assigned to the rule that was broken. The principles of Restorative Practices are:

- Voluntary participation
- Respect for all involved
- Inclusion and equal voice of all involved
- A focus on harms, needs, and causes
- Consensus-based decision making to repair harm and prevent future harm
- Expanding the capacity of the community to create a just, fair, and meaningful response
